

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

INDIANA MEDICAL LAW OF 1897.

Section 1. Be it enacted by the General Assembly of the State of Indiana, That it shall hereafter be unlawful for any person to practice medicine, surgery or obstetrics in this State without first obtaining a license so to do, as hereinafter provided.

Sec. 2. After this law goes into effect, any person desiring to begin the practice of medicine, surgery or obstetrics in this State, shall procure from the State Board of Medical Registration and Examination a certificate that such person is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana; and in order to procure such certificate the applicant shall submit to the State Board of Medical Registration and Examination his diploma, with an affidavit setting forth the time and under what circumstances said diploma was received, and that the affiant is the person to whom such diploma was issued. Such application shall be accompanied by the affidavits of two freeholders resident in the same county in which the applicant resides, stating that the applicant is the person named in the accompanying diploma and application for a certificate. All diplomas received by the Board shall be returned to the person owning the same. Such applicant shall pay to said Board the sum of six dollars (\$6.00) at the time of making such application. All persons practicing medicine, surgery and obstetrics in the State of Indiana when this law goes into effect, and desiring to continue the same, shall, within ninety days thereafter, obtain a certificate that they are entitled to do so by presenting to the State Board of Medical Registration and Examination the license possessed by them at the time of the passage of this law, together with an affidavit that they are the legal possessors of the same, and the persons mentioned therein, and such applicant shall pay to the Board the sum of one dollar (\$1.00) at the time of making such application. The Board shall thereupon issue to such applicant a certificate, which,

when presented to the County Clerk of the proper county, shall entitle the holder to a license to practice medicine, surgery and obstetrics in the State of Indiana. In the event an applicant for a certificate from the State Board of Medical Registration and Examination shall present a diploma from a medical college which is not recognized as maintaining a sufficiently high grade or standard of medical education as defined and fixed in the records of the Board, the applicant shall have the privilege of being examined as to his qualifications to practice medicine, surgery and obstetrics in such manner as the Board shall provide, and if he shall pass an examination satisfactory to the Board he shall receive a certificate, the same as if he had presented a satisfactory diploma and other evidences of qualifications for the practice of medicine. But if he should fail to pass such examination he shall be permitted to submit to another examination within twelve months from the time of first examination. He shall pay to the State Board of Medical Registration and Examination the sum of twenty-five dollars (\$25.00), fifteen dollars (\$15.00) of which sum shall be returned to him in the event of his failing to pass said examination: Provided, however, That payment of said sum of twenty-five dollars (\$25.00) shall entitle him to a re-examination in case of failure at [the] first or any subsequent examination: And provided, further, That if such applicant shall fail to pass the examination prescribed by such Board of Medical Registration and Examination, he shall have the right to an appeal to the Circuit or Superior Court of the proper county, requiring such Board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the State of Indiana, upon the applicant giving a good and satisfactory bond to be approved by the Court, to secure all costs of suit should the appeal be determined against him. Upon the receipt of the certificate by the applicant from the State Board of Medical Registration and Examination, the applicant shall, upon the presentation thereof to the Clerk of the county in which he resides, receive from the County Clerk a license to practice medicine, surgery and obstetrics within the State of Indiana. The person receiving such license shall pay to the County Clerk fifty cents (\$0.50) as his fee for issuing and recording such license as hereinafter provided. In case of change of residence from one county to another within this State, the

holder of a physician's license shall obtain a new license in the county where he proposes to reside, by filing with the County Clerk the license obtained by him in the county in which he last resided, in the same manner as provided for on the presentation of his certificate from the State Board of Medical Registration and Examination, and the Clerk shall issue him a new license.

Sec. 3. It shall be the duty of the Clerk of the county in which an applicant resides to issue to the person presenting such certificate, as hereinbefore provided for, a license under his official seal in the following form:

State of Indiana, County of....., ss.:

I, Clerk of the Circuit Court of County, in the State of Indiana, do hereby certify that has complied with the laws of the State of Indiana relating to the practice of medicine, surgery and obstetrics in the county and State aforesaid.

Witness my hand and seal of said court this day of, 189..

....., Clerk.

The County Clerk shall enter of record the name, age, place, birth and address, school or system of medicine to which said applicant belongs, and the person so registering shall subscribe to and verify by oath before such Clerk an affidavit concerning such facts, which, if wilfully false, shall subject the affiant to conviction for perjury. The County Clerk shall furnish annually, on the first day of January, to the State Board of Medical Registration and Examination, upon blanks furnished by said Board, a duplicate list of all certificates received and licenses issued by him during the preceding year, and shall include therein the date of issue of said license, and the name, age and residence of the person receiving the same.

Sec. 4. Within thirty days after this law goes into effect, it shall be the duty of the Governor of the State of Indiana to appoint a State Board of Medical Registration and Examination, composed of five (5) members, who shall serve, two for one year, one for two years, one for three years and one for four years; and their successors for a term of four years each. No school or system of medicine shall have a majority representation on such

lated. Such record shall at all times be open to examination by the public, and the said schedules of requirements, after they have been established and recorded, and all changes made therein, shall be printed in circular form, and mailed to all medical colleges in the State, and shall also be furnished to any person upon application. Said Board shall not, in the establishment of the aforesaid schedules of requirements, discriminate for or against any school or system of medicine, nor shall it prescribe what system or systems or schools of medicine shall be taught in any of the colleges, universities or other educational institutions of the State. It shall have power to make and establish all necessary rules and regulations for reciprocal recognition of certificates issued by other States, and to prevent unjust and arbitrary exclusions by other States of graduates in medicine from this State who have filled its requirements. When an application for a certificate is made, and a diploma submitted, as herein provided, it shall be the duty of the State Board of Medical Registration and Examination to determine, upon the evidence presented, whether such diploma rightfully belongs to and was issued to the person making application for a certificate, and whether the medical college that issued the diploma maintains a standard of medical education conforming to that fixed by the State Board of Medical Registration and Examination, and whether the application otherwise complies with the rules of the Board. If these facts are shown by competent evidence, it shall be the duty of the State Board of Medical Registration and Examination to issue a certificate, signed by its President and Secretary, and under its official seal, stating that the person applying for such certificate and possessing such diploma is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana. The State Board of Medical Registration and Examination shall have the right to review the evidence upon which a license has been obtained, and if it shall be found that a license has been obtained by fraud or misrepresentation, the Board may revoke such license. The Board may refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery, and may, after notice and hearing, revoke a certificate for like cause. An appeal may be taken from the action of the Board. If any person holding a

license under the provisions of this act shall be guilty of any of the above enumerated acts, the license of such person may be revoked by the Board, upon the finding and judgment as hereinafter provided that the holder thereof has been guilty of any of the above enumerated acts. A specific written charge, verified by affidavit, must be presented to the Board, making definite and specific charges of such offense against the holder of such license. It shall thereupon be the duty of the Board to refer such verified charge to the Circuit Court of the county in which the holder of such license resides. The clerk of such court shall thereupon docket the same as a cause pending in said court. The said verified charge shall be treated as a complaint, and summons shall issue thereupon to the accused as in ordinary civil cases. The accused may appear and plead to said charge, and issues may be formed thereon, as in civil cases, which shall thereupon be tried by the Judge of said Circuit Court. It shall be the duty of the Prosecuting Attorney of said circuit to appear in such causes and represent the Board. The only finding and judgment in such cases shall be guilty or not guilty as to each charge. The judgment of the Court upon such charges shall be at once certified to the Board by the Clerk of said court. If the finding of the court is "guilty" as to any one of said charges, said Board may thereupon make an order revoking such license. If judgment of "guilty" is awarded in such cause, the costs of such proceedings shall be recovered of the accused and a fee of ten dollars shall be taxed therein in favor of the Prosecuting Attorney.

Sec. 6. All persons practicing midwifery in this State, and who have practiced it for ten years last preceding the passage of this act, and desiring to continue the same, shall, within ninety (90) days thereafter, make application to the State Board of Medical Registration and Examination by submitting an affidavit, fully attested, giving the name, age, residence, the length of time during which, and the place or places at which the applicant has been engaged in such practice, and the special education, if any, which the applicant has received for such practice. Such application shall be accompanied by the affidavits of two freeholders, duly attested, that the applicant is known to them as the person applying for a certificate to practice midwifery, and that such applicant has been engaged in the active practice of midwifery, giving the location or

locations of such practice for at least ten (10) years previous to the passage of this act. Upon such application and the payment of one dollar (\$1.00) the State Board of Medical Registration and Examination shall issue to the applicant a certificate, which shall, when presented to the County Clerk, entitle the holder to a license to practice midwifery in this State. All persons desiring to enter upon the practice of midwifery in this State after this law goes into effect shall present to the State Board of Medical Registration and Examination their diplomas, duly attested, and procure[d] from an obstetrical school of such standing as shall be recognized and determined by the Board; or shall submit to such examination in midwifery as the Board shall require, and pay a fee of three dollars (\$3.00). Such evidence of qualification being satisfactory to the Board, it shall issue a certificate entitling the holder to a license from the Clerk of the county in which the applicant resides, which license shall entitle the holder to practice midwifery in this State. The license thus issued shall conform to all requirements of registration imposed upon physicians' licenses in section two of this act and shall be subject to revocation for the same cause as provided in section five in case of license to physicians.

Sec. 7. Nothing in this act shall be [so] construed as to discriminate against any school or system of medicine, or to prohibit gratuitous services in cases of emergency, or to the administration of family remedies. This act shall not apply to any commissioned officer of the United States Army, Navy or Marine Hospital Service in the discharge of his official duties; nor to any physician or surgeon who is legally qualified to practice in the State or Territory in which he resides when in actual consultation with a legal practitioner of this State; nor to any physician or surgeon residing on the border of a neighboring State and duly authorized to practice under the laws thereof, whose practice extends into the limits of this State: Provided, That such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this State. This act shall not be construed to prevent medical students from practicing medicine and surgery under the immediate and direct supervision of a licensed physician, nor shall it apply to legally qualified dentists when engaged in the exclusive practice of dentistry, nor to any optician who shall here-

after engage in the practice of optometry. This law shall not be construed to apply to non-itinerant opticians engaged in the practice of optometry in this State at the time and prior to the passage of this act.

Sec. 8. To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county of the State, or to prescribe for, or to give surgical assistance to those suffering from disease, injury or deformity, shall be to engage in the practice of medicine within the meaning of this act.

Sec. 9. Any person who shall practice medicine, surgery or obstetrics in this State without having a license duly issued as hereinbefore provided, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200).

Sec. 10. All laws and parts of laws in conflict with this act are hereby repealed, and also an act entitled "An act regulating the practice of medicine, surgery and obstetrics, providing for the issuing of license to practice, defining certain misdemeanors and providing penalties," approved April 11, 1885, and all amendments thereto be and the same are hereby repealed.

INDIANA MEDICAL LAW OF 1897, WITH AMENDMENTS OF 1899.

[Original law took effect April 14, 1897.]

Section 1. Be it enacted by the General Assembly of the State of Indiana, That it shall hereafter be unlawful for any person to practice medicine, surgery or obstetrics in this State without first obtaining a license so to do, as hereinafter provided.

Sec. 2. After this law goes into effect, any person desiring to begin the practice of medicine, surgery or obstetrics in this State, shall procure from the State Board of Medical Registration and Examination a certificate that such person is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana; and in order to procure such certificate the applicant shall submit to the State Board of Medical Registration and Examination his diploma, with an affidavit setting forth the time and number of terms, duration of each term, applicant was required to be in attendance at said school in order to complete said course of study, and that the affiant is the person to whom such diploma issued. Such application shall be accompanied by the affidavit of two freeholders resident in the same county in which the applicant resides, stating that the applicant is the person named in the accompanying diploma and application for a certificate. All diplomas received by the Board shall be returned to the person owning the same, and for failure to return any diploma to its lawful owner within a reasonable time the secretary of said Board shall be liable on his bond for damages in the sum of twenty-five dollars (\$25). Such applicant shall pay to said Board the sum of ten dollars (\$10) at the time of making such application. All persons who were practicing medicine, surgery and obstetrics in the State of Indiana on March 8, 1897, and have not complied with the provisions of the law, and desiring to continue the same, shall, on or before July 11, 1899, obtain a certificate that they are entitled to do so by presenting to the State Board of Medical Registration and Examina-

tion the license possessed by them at the time of the passage of this law, together with an affidavit that they are the legal possessors of the same, and the persons mentioned therein, and such applicant shall pay to the Board the sum of one dollar (\$1) at the time of making such application. The Board shall thereupon issue to such applicant a certificate, which when presented to the County Clerk of the proper county, shall entitle the holder to a license to practice medicine, surgery and obstetrics in the State of Indiana. In the event an applicant for a certificate from the State Board of Medical Registration and Examination shall present a diploma from a medical college which is not recognized as maintaining a sufficiently high grade or standard of medical education as defined and fixed in the records of the Board, the applicant shall have the privilege of being examined as to his qualifications to practice medicine, surgery and obstetrics in such manner as the Board shall provide, and if he shall pass an examination satisfactory to the Board he shall receive a certificate, the same as if he had presented a satisfactory diploma and other evidences of qualifications for the practice of medicine. But if he should fail to pass such examination he shall be permitted to submit to another examination within twelve months from the time of the first examination. He shall pay to the State Board of Medical Registration and Examination the sum of twenty-five dollars (\$25): Provided, however, That payment of said sum of twenty-five dollars (\$25) shall entitle him to a re-examination in case of failure at the first or any subsequent examination: And provided further, That if such applicant shall fail to pass the examination prescribed by such Board of Medical Registration and Examination, he shall have the right to an appeal to the Circuit or Superior Court of the proper county, requiring such Board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the State of Indiana, upon the applicant giving a good and satisfactory bond to be approved by the court, to secure all costs of suit should the appeal be determined against him. Upon the receipt of the certificate by the applicant from the State Board of Medical Registration and Examination, the applicant shall, upon the presentation thereof to the Clerk of the county in which he resides, receive from the County Clerk a license to practice medicine, surgery and obstetrics within the State of Indiana. The person receiving such license

Sec. 4. Within thirty days after this law goes into effect, it shall be the duty of the Governor of the State of Indiana to appoint a State Board of Medical Registration and Examination, composed of five (5) members, who shall serve, two for one year, one for two years, one for three years and one for four years; and their succes-

sors for a term of four years each. No school or system of medicine shall have a majority representation on such Board. Said Board shall be non-partisan, and not more than three shall be members of any one political party. The Governor shall select members of said Board of Medical Registration and Examination from reputable physicians in this State who are graduates of any college of medicine of good repute: Provided, That no professor or teacher in a medical college shall be appointed as a member of such Board: Provided, further, That each of the four schools or systems of medicine having the largest numerical representation in the State shall have at least one representative on said Board. Should a vacancy occur in said Board by death, resignation, removal, or otherwise, then it shall be the duty of the Governor to fill the vacancy from the school or system entitled to representation by virtue of such vacancy. The Governor shall have power to remove any member of said Board for incompetency, gross immorality, for any abuse of his official power, or for other good cause, and may fill any vacancy thus occasioned by appointment. Any person appointed to fill any vacancy on such Board, whether occasioned by death, resignation, removal or otherwise, shall hold for the unexpired term of the member whose place he is appointed to fill.

Sec. 5. It shall be the duties of the members of the State Board of Medical Registration and Examination to meet in the city of Indianapolis within thirty days after their appointment, and organize by the election of a President, Secretary and Treasurer, who shall serve until the second Tuesday in January following, and their successors shall be elected on the second Tuesday in January annually thereafter. The said Board shall hold regular meetings on the second Tuesday in January and July of each year, and as often in addition as may be necessary for the transaction of such business as may properly come before it under the provisions of this act, and shall have power to make all necessary rules and regulations for the transaction of its business. For their services the members shall receive the sum of six dollars (\$6) per day, and their traveling expenses necessarily incurred in the attendance upon the business of said Board. It shall be the duty of the Secretary of said Board to keep a record of all applications for certificates, and such record shall contain all the facts set forth in such applications, including the action of the Board thereon, and shall

shall pay to the County Clerk fifty cents (\$0.50) as his fee for issuing and recording such license as hereinafter provided. Sec. 5. It shall be the duties of the members of the State Board of Medical Registration and Examination to meet in the city of Indianapolis within thirty days after their appointment, and organize by the election of a President, Secretary and Treasurer, who shall serve until the second Tuesday in January following, and their successors shall be elected on the second Tuesday in January annually thereafter. The said Board shall hold regular meetings on the second Tuesday in January and July of each year, and as often in addition as may be necessary for the transaction of such business as may properly come before it under the provisions of this act, and shall have power to make all necessary rules and regulations for the transaction of its business. For their services the members shall receive the sum of six dollars (\$6) per day, and their traveling expenses necessarily incurred in the attendance upon the business of said Board. It shall be the duty of the Secretary of said Board to keep a record of all applications for certificates, and such record shall contain all the facts set forth in such applications, including the action of the Board thereon, and shall

execute all orders of said Board, and the Secretary shall have for such service the sum of two hundred and fifty dollars (\$250) per annum, to be paid from the funds of said Board, and said Board may employ a clerk, and fix his salary at not more than five hundred dollars (\$500) per annum. It shall be the duty of the Treasurer of said Board to pay quarterly all moneys received by the Board to the Treasurer of the State, which moneys shall be credited to a separate and permanent fund for Medical Registration and Examination, which is hereby created. All moneys so paid to the Treasurer of State shall remain and be a separate and permanent fund for the maintenance of the said Board of Registration and Examination. The said Board shall, by its President and Secretary, from time to time, certify to the Auditor of State, the necessary expenses incurred by the said Board, including the salaries and per diem of the members, and the Auditor shall issue his warrant for the same, which shall be paid out of the fund so established for the maintenance of the said Board: Provided, That no order shall be drawn by any State official on any fund other than the above-named fund for any salaries of the Board incident to the administration of this act. The Treasurer and Secretary of said Board shall each give bond in the sum of five thousand dollars (\$5,000) with sureties to be approved by the Governor, which bonds shall be filed with the Auditor of State. The members of the State Board of Medical Registration and Examination are authorized to administer oaths in matters relating to the discharge of their official duties. The State Board of Medical Registration and Examination is charged with the duty of enforcing this act, and it shall be the duty of the Prosecuting Attorney, upon the complaint of the Board, to prosecute any violation of this act. The State Board of Medical Registration and Examination shall from time to time establish and record in a record, kept by them for that purpose, a schedule of the minimum requirements which must be complied with by applicants for examination for license to practice medicine, surgery and obstetrics, before they shall be entitled to receive such license. The said Board shall also, in like manner, establish and cause to be recorded in such record a schedule of the minimum requirements and rules for the recognition of medical colleges, so as to keep these requirements up to the average standard of medical education in other States. After the year 1897

no change shall be made in such schedules of requirements in any year after the month of January of such year, nor shall any change be made to have any retroactive effect, or that shall affect students theretofore matriculated. Such record shall at all times be open to examination by the public, and the said schedules of requirements, after they have been established and recorded, and all changes made therein, shall be printed in circular form, and mailed to all medical colleges in the State, and shall also be furnished to any person upon application. Said Board shall not, in the establishment of the aforesaid schedules of requirements, discriminate for or against any school or system of medicine, nor shall it prescribe what system or systems of schools of medicine shall be taught in any of the colleges, universities or other educational institutions of the State. It shall have power to make and establish all necessary rules and regulations for the reciprocal recognition of certificates issued by other States, and to prevent unjust and arbitrary exclusions by other States of graduates in medicine from this State who have filled its requirements. When an application for a certificate is made, and a diploma submitted, as herein provided, it shall be the duty of the State Board of Medical Registration and Examination to determine, upon the evidence presented, whether such diploma rightfully belongs to and was issued to the person making application for a certificate, and whether the medical college that issued the diploma maintains a standard of medical education conforming to that fixed by the State Board of Medical Registration and Examination, and whether the application otherwise complies with the rules of the Board. If these facts are shown by competent evidence, it shall be the duty of the State Board of Medical Registration and Examination to issue a certificate signed by its President and Secretary, and under its official seal, stating that the person applying for such certificate and possessing such diploma is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana. The Board at its discretion may authorize the Secretary to issue a temporary permit to an applicant, for the interim from date of application until the next regular meeting of the Board. The State Board of Medical Registration and Examination shall have the right to review the evidence upon which a license has been obtained, and if it shall be found that a license has been obtained by fraud or misrepresenta-

tion, the Board may revoke such license. The Board may refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the use of liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery, and may, after notice and hearing, revoke a certificate for like cause. An appeal may be taken from the action of the Board. If any person holding a license under the provisions of this act shall be guilty of any of the above enumerated acts, the license of such person may be revoked by the Board, upon the finding and judgment as hereinbefore provided that the holder thereof has been guilty of any of the above enumerated acts. A specific written charge, verified by affidavit, must be presented to the Board, making definite and specific charges of such offense against the holder of such license. It shall thereupon be the duty of the Board to refer such verified charge to the Circuit Court of the county in which the holder of such license resides. The Clerk of such court shall thereupon docket the same as a cause pending in said court. The said verified charge shall be treated as a complaint, and summons shall issue thereupon to the accused, as in ordinary civil cases. The accused may appear and plead to said charge and issues may be formed thereon, as in civil cases, which shall thereupon be tried by the Judge of said Circuit Court. It shall be the duty of the Prosecuting Attorney of said circuit to appear in such causes and represent the Board. The only finding and judgment in such cases shall be guilty or not guilty as to each charge. The judgment of the court upon such charges shall be at once certified to the Board by the Clerk of said court. If the finding of the court is "guilty" as to any one of said charges, said Board may thereupon make an order revoking such license. If judgment of "guilty" is awarded in such cause, the costs of such proceeding shall be recovered of the accused and a fee of ten dollars shall be taxed therein in favor of the Prosecuting Attorney.

Sec. 6. All persons practicing midwifery in this State, and who have practiced it for ten years last preceding March 8, 1897, and desiring to continue the same shall, on or before July 11, 1899, make application to the State Board of Medical Registration and Examination by submitting an affidavit, fully attested, giving the name, age, residence, the length of time during which, and the place or places at which the applicant has been engaged in such

practice, and the special education, if any, which the applicant has received for such practice. Such application shall be accompanied by the affidavits of two freeholders, duly attested, that the applicant is known to them as the person applying for a certificate to practice midwifery, and that such applicant has been engaged in the active practice of midwifery, giving the location or locations of such practice for the last ten (10) years previous to the passage of this act. Upon such application and the payment of one dollar (\$1) the State Board of Medical Registration and Examination shall issue to the applicant a certificate which shall, when presented to the County Clerk, entitle the holder to a license to practice midwifery in this State. All persons desiring to enter upon the practice of midwifery in this State after this law goes into effect shall present to the State Board of Medical Registration and Examination their diplomas, duly attested, and procured from an obstetrical school of such standing as shall be recognized and determined by the Board. Such applicant shall pay to said Board the sum of five dollars (\$5) at the time of making such application; or such applicant shall submit to an examination in midwifery as the Board shall require, and pay a fee of ten dollars (\$10). Such evidence of qualification being satisfactory to the Board, it shall issue a certificate entitling the holder to a license from the Clerk of the county in which the applicant resides, which license shall entitle the holder to practice midwifery in this State. The license thus issued shall conform to all requirements of registration imposed upon physicians' licenses in section two of this act and shall be subject to revocation for the same cause as provided in section five in case of license to physicians.

Sec. 7. Nothing in this act shall be (so) construed as to discriminate against any school or system of medicine, or to prohibit gratuitous services in cases of emergency, or to the administration of family remedies. This act shall not apply to any commissioned officer of the United States Army, Navy or Marine Hospital service in the discharge of his official duties; nor to any physician or surgeon who is legally qualified to practice in the State or Territory in which he resides when in actual consultation with a legal practitioner of this State; nor to any physician or surgeon residing on the border of a neighboring State, and duly authorized to practice under the laws thereof, whose practice extends into the limits

of this State: Provided, That such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this State. This act shall not be construed to prevent medical students from practicing medicine and surgery under the immediate and direct supervision of a licensed physician for a limited period of two years: Provided, however, That the said student had not practiced medicine, surgery or obstetrics prior to the passage of this act; in the event the amount of time said student has practiced medicine, surgery or obstetrics shall be deducted from the said two years herein mentioned; and in no event shall the said student open an office or offer to engage in the practice of medicine, surgery or obstetrics. Any person violating any of the provisions of this section shall be deemed guilty of a misdemeanor, and on conviction thereof shall subject the offender to a fine of not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200).

Sec. 8. To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county of the State, or to prescribe for, or to give surgical assistance to those suffering from disease, injury or deformity, shall be to engage in the practice of medicine within the meaning of this act.

Sec. 9. Any person who shall practice medicine, surgery or obstetrics in this State without having a license duly issued as hereinbefore provided, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200).

Sec. 10. All laws and parts of laws in conflict with this act are hereby repealed, and also an act entitled "An act regulating the practice of medicine, surgery and obstetrics, providing for the issuing of license to practice, defining certain misdemeanors and providing penalties," approved April 11, 1885, and all amendments thereto be and the same are hereby repealed.

Additional Section. Twelve hundred copies of the annual report of the Board to the Governor shall be printed in the same manner as is the report of the State Board of Health; and the printing and stationery of the Board shall be paid out of the printing fund.

**INDIANA MEDICAL LAW OF 1897, WITH AMEND-
MENTS OF 1899 AND 1901.**

Section 1. Be it enacted by the General Assembly of the State of Indiana, That it shall hereafter be unlawful for any person to practice medicine, surgery or obstetrics in this State without first obtaining a license so to do, as hereinafter provided.

Sec. 2. After this law goes into effect, any person desiring to begin the practice of medicine, surgery or obstetrics in this State, shall procure from the State Board of Medical Registration and Examination a certificate that such person is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana; and in order to procure such certificate the applicant shall submit to the State Board of Medical Registration and Examination his diploma, with an affidavit setting forth the time and number of terms, duration of each term, applicant was required to be in attendance at said school in order to complete said course of study, and that the affiant is the person to whom such diploma was issued. Such application shall be accompanied by the affidavit of two freeholders resident in the same county in which the applicant resides, stating that the applicant is the person named in the accompanying diploma and application for a certificate. All diplomas received by the Board shall be returned to the person owning the same, and for failure to return any diploma to its lawful owner within a reasonable time the secretary of said Board shall be liable on his bond for damages in the sum of twenty-five dollars (\$25). Such applicant shall pay to said Board the sum of ten dollars (\$10) at the time of making such application. All persons who were practicing medicine, surgery and obstetrics in the State of Indiana on March 8, 1897, and have not complied with the provisions of the law, and desiring to continue the same, shall, on or before July 11, 1899, obtain a certificate that they are entitled to do so by presenting to the State Board of Medical Registration and Examination the license possessed by them at the time of the passage

of this law, together with an affidavit that they are the legal possessors of the same, and the persons mentioned therein, and such applicant shall pay to the Board the sum of one dollar (\$1) at the time of making such application. The Board shall thereupon issue to such applicant a certificate, which, when presented to the County Clerk of the proper county, shall entitle the holder to a license to practice medicine, surgery and obstetrics in the State of Indiana. In the event an applicant for a certificate from the State Board of Medical Registration and Examination shall present a diploma from a medical college which is not recognized as maintaining a sufficiently high grade or standard of medical education as defined and fixed in the records of the Board, the applicant shall have the privilege of being examined as to his qualifications to practice medicine, surgery and obstetrics in such manner as the Board shall provide, and if he shall pass an examination satisfactory to the Board he shall receive a certificate, the same as if he had presented a satisfactory diploma and other evidences and qualifications for the practice of medicine. But if he should fail to pass such examination he shall be permitted to submit to another examination within twelve months from the time of the first examination. He shall pay to the State Board of Medical Registration and Examination the sum of twenty-five dollars (\$25): Provided, however, That payment of said sum of twenty-five dollars (\$25) shall entitle him to a re-examination in case of failure at the first or any subsequent examination: And provided further, That if such applicant shall fail to pass the examination prescribed by such Board of Medical Registration and Examination, he shall have the right to an appeal to the Circuit or Superior Court of the proper county, requiring such Board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the State of Indiana, upon the applicant giving a good and satisfactory bond to be approved by the court, to secure all costs of suit should the appeal be determined against him. Upon the receipt of the certificate by the applicant from the State Board of Medical Registration and Examination, the applicant shall, upon the presentation thereof to the Clerk of the county in which he resides, receive from the County Clerk a license to practice medicine, surgery and obstetrics within the State of Indiana. The person receiving such license shall pay to the County Clerk fifty cents (\$0.50) as his fee

for issuing and recording such license, as hereinafter provided. In case of change of residence from one county to another within this State, the holder of a physician's license shall obtain a new license in the county where he proposes to reside, by filing with the County Clerk the license obtained by him in the county in which he last resided, in the same manner as provided for on the presentation of his certificate from the State Board of Medical Registration and Examination, and the Clerk shall issue him a new license. (As amended March 3, 1899, Acts 1899, p. 247.)

Sec. 3. It shall be the duty of the Clerk of the county in which an applicant resides to issue to the person presenting such certificate, as hereinbefore provided for, a license under his official seal in the following form:

State of Indiana, County of.....ss.:

I, Clerk of the Circuit Court ofCounty, in the State of Indiana, do hereby certify that..... has complied with the laws of the State of Indiana relating to the practice of medicine, surgery and obstetrics in the county and State aforesaid.

Witness my hand and seal of said court this..... day of , 189..

.....Clerk.

The County Clerk shall enter of record the name, age, place of birth, address, school or system of medicine to which said applicant belongs, and the person so registering shall subscribe to and verify by oath before such Clerk an affidavit concerning such facts, which, if wilfully false, shall subject the affiant to conviction for perjury. The County Clerk shall furnish annually, on the first day of January, to the State Board of Medical Registration and Examination, upon blanks furnished by said Board, a duplicate list of all certificates received and licenses issued by him during the preceding year, and shall include therein the date of issue of said license, and the name, age and residence of the person receiving the same.

Sec. 4. Within thirty days after this law goes into effect, it shall be the duty of the Governor of the State of Indiana to appoint a State Board of Medical Registration and Examination, composed of five (5) members, who shall serve, two for one year, one for two years, one for three years and one for four years; and their

successors for a term of four years each. No school or system of medicine shall have a majority representation on such Board. Said Board shall be nonpartisan, and not more than three shall be members of any one political party. The Governor shall select members of said Board of Medical Registration and Examination from reputable physicians in this State who are graduates of any college of medicine of good repute: Provided, That no professor or teacher in a medical college shall be appointed as a member of such Board: Provided, further, That each of the four schools or systems of medicine having the largest numerical representation in the State shall have at least one representative on said Board. Should a vacancy occur in said Board by death, resignation, removal or otherwise, then it shall be the duty of the Governor to fill the vacancy from the school or system entitled to representation by virtue of such vacancy. The Governor shall have power to remove any member of said Board for incompetency, gross immorality, for any abuse of his official power, or for other good cause, and may fill any vacancy thus occasioned by appointment. Any person appointed to fill any vacancy on such Board, whether occasioned by death, resignation, removal or otherwise, shall hold for the unexpired term of the member whose place he is appointed to fill.

Sec. 5. It shall be the duty of the members of the State Board of Medical Registration and Examination to meet in the city of Indianapolis within thirty days after their appointment, and organize by the election of a President, Secretary and Treasurer, who shall serve until the second Tuesday in January following, and their successors shall be elected on the second Tuesday in January annually thereafter. The said Board shall hold regular meetings on the second Tuesday in January and July of each year, and as often in addition as may be necessary for the transaction of such business as may properly come before it under the provisions of this act, and shall have power to make all necessary rules and regulations for the transaction of its business.

For their services the members shall receive the sum of six dollars (\$6) per day, and their traveling expenses necessarily incurred in the attendance upon the business of said Board. It shall be the duty of the Secretary of said Board to keep a record of all applications for certificates, and such record shall contain all the facts set forth in such application, including the action of the Board

thereon, and shall execute all orders of said Board, and the Secretary shall have for such service the sum of two hundred and fifty dollars (\$250) per annum, to be paid from the funds of said Board, and said Board may employ a clerk, and fix his salary at not more than five hundred dollars (\$500) per annum.

It shall be the duty of the Treasurer of said Board to pay quarterly all moneys received by the Board to the Treasurer of State, which moneys shall be credited to a separate and permanent fund for medical registration and examination, which is hereby created. All moneys so paid to the Treasurer of State shall remain and be a separate and permanent fund for the maintenance of the said Board of Registration and Examination. The said Board shall, by its President and Secretary, from time to time, certify to the Auditor of State the necessary expenses incurred by the said Board, including salaries and per diem of the members, and the Auditor shall issue his warrant for the same, which shall be paid out of the fund so established for the maintenance of the said Board: Provided, That no order shall be drawn by any State official on any fund other than the above named fund for any salaries of the Board incident to the administration of this act.

The Treasurer and Secretary of said Board shall each give bond in the sum of five thousand dollars (\$5,000), with sureties to be approved by the Governor, which bonds shall be filed with the Auditor of State. The members of the State Board of Medical Registration and Examination are authorized to administer oaths in matters relating to the discharge of their official duties. The State Board of Medical Registration and Examination is charged with the duty of enforcing this act, and it shall be the duty of the Prosecuting Attorney, upon the complaint of the Board, to prosecute any violation of this act.

It shall also be the duty of the grand jury of the proper county to investigate all violations of this act and return indictments therefor in proper cases, and it shall be the duty of the Prosecuting Attorney to prosecute violations of this act by information whenever a proper affidavit is filed by any one, as in other cases of violations of the law; or to prosecute offenders before the Justice of the Peace in proper cases.

The State Board of Medical Registration and Examination shall, from time to time, establish and record, in a record kept by them

successors for a term of four years each. No school or system of medicine shall have a majority representation on such Board. Said Board shall be nonpartisan, and not more than three shall be members of any one political party. The Governor shall select members of said Board of Medical Registration and Examination from reputable physicians in this State who are graduates of any college of medicine of good repute: Provided, That no professor or teacher in a medical college shall be appointed as a member of such Board: Provided, further, That each of the four schools or systems of medicine having the largest numerical representation in the State shall have at least one representative on said Board. Should a vacancy occur in said Board by death, resignation, removal or otherwise, then it shall be the duty of the Governor to fill the vacancy from the school or system entitled to representation by virtue of such vacancy. The Governor shall have power to remove any member of said Board for incompetency, gross immorality, for any abuse of his official power, or for other good cause, and may fill any vacancy thus occasioned by appointment. Any person appointed to fill any vacancy on such Board, whether occasioned by death, resignation, removal or otherwise, shall hold for the unexpired term of the member whose place he is appointed to fill.

Sec. 5. It shall be the duty of the members of the State Board of Medical Registration and Examination to meet in the city of Indianapolis within thirty days after their appointment, and organize by the election of a President, Secretary and Treasurer, who shall serve until the second Tuesday in January following, and their successors shall be elected on the second Tuesday in January annually thereafter. The said Board shall hold regular meetings on the second Tuesday in January and July of each year, and as often in addition as may be necessary for the transaction of such business as may properly come before it under the provisions of this act, and shall have power to make all necessary rules and regulations for the transaction of its business.

For their services the members shall receive the sum of six dollars (\$6) per day, and their traveling expenses necessarily incurred in the attendance upon the business of said Board. It shall be the duty of the Secretary of said Board to keep a record of all applications for certificates, and such record shall contain all the facts set forth in such application, including the action of the Board

thereon, and shall execute all orders of said Board, and the Secretary shall have for such service the sum of two hundred and fifty dollars (\$250) per annum, to be paid from the funds of said Board, and said Board may employ a clerk, and fix his salary at not more than five hundred dollars (\$500) per annum.

It shall be the duty of the Treasurer of said Board to pay quarterly all moneys received by the Board to the Treasurer of State, which moneys shall be credited to a separate and permanent fund for medical registration and examination, which is hereby created. All moneys so paid to the Treasurer of State shall remain and be a separate and permanent fund for the maintenance of the said Board of Registration and Examination. The said Board shall, by its President and Secretary, from time to time, certify to the Auditor of State the necessary expenses incurred by the said Board, including salaries and per diem of the members, and the Auditor shall issue his warrant for the same, which shall be paid out of the fund so established for the maintenance of the said Board: Provided, That no order shall be drawn by any State official on any fund other than the above named fund for any salaries of the Board incident to the administration of this act.

The Treasurer and Secretary of said Board shall each give bond in the sum of five thousand dollars (\$5,000), with sureties to be approved by the Governor, which bonds shall be filed with the Auditor of State. The members of the State Board of Medical Registration and Examination are authorized to administer oaths in matters relating to the discharge of their official duties. The State Board of Medical Registration and Examination is charged with the duty of enforcing this act, and it shall be the duty of the Prosecuting Attorney, upon the complaint of the Board, to prosecute any violation of this act.

It shall also be the duty of the grand jury of the proper county to investigate all violations of this act and return indictments therefor in proper cases, and it shall be the duty of the Prosecuting Attorney to prosecute violations of this act by information whenever a proper affidavit is filed by any one, as in other cases of violations of the law; or to prosecute offenders before the Justice of the Peace in proper cases.

The State Board of Medical Registration and Examination shall, from time to time, establish and record, in a record kept by them

for that purpose, a schedule of the minimum requirements which must be complied with by applicants for examination for license to practice medicine, surgery and obstetrics, before they shall be entitled to receive such license. The said Board shall also, in like manner, establish and cause to be recorded in such record a schedule of the minimum requirements and rules for the recognition of medical colleges, so as to keep these requirements up to the average standard of medical education in other States. After the year 1897 no change shall be made in such schedules of requirements in any year after the month of January of each year, nor shall any change be made to have any retroactive effect, or that shall affect students theretofore matriculated. Such record shall be at all times open to examination by the public, and the said schedules of requirements, after they have been established and recorded, and all changes made therein, shall be printed in circular form, and mailed to all medical colleges in the State, and shall also be furnished to any person upon application. Said Board shall not, in the establishment of the aforesaid schedule of requirements, discriminate for or against any school or system of medicine, nor shall it prescribe what system or systems or schools of medicine shall be taught in any of the colleges, universities or other educational institutions of the State.

It shall have power to make and establish all necessary rules and regulations for the reciprocal recognition of certificates issued by other States, and to prevent unjust and arbitrary exclusions by other States of graduates in medicine from this State who have fulfilled its requirements. When an application for a certificate is made, and a diploma submitted, as herein provided, it shall be the duty of the State Board of Medical Registration and Examination to determine, upon the evidence presented, whether such diploma rightfully belongs to and was issued to the person making application for a certificate, and whether the medical college that issued the diploma maintains a standard of medical education conforming to that fixed by the State Board of Medical Registration and Examination, and whether the application otherwise complies with the rules of the Board.

If these facts are shown by competent evidence, it shall be the duty of the State Board of Medical Registration and Examination to issue a certificate, signed by its President and Secretary, and

under its official seal, stating that the person applying for such certificate and possessing such diploma is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana: Provided, Said application shall be filed prior to January 1, 1905: And provided, further, Said applicant shall have, prior to January 1, 1901, matriculated in a reputable medical college in Indiana, maintaining a standard of medical education conforming to that fixed by said Board, and shall have graduated from said college and received his diploma therefrom, prior to January 1, 1905. Except, as last above provided, no certificate shall be issued to any person whomsoever until he shall have satisfied the said Board that he has graduated at a reputable medical college as in this section set forth, maintaining a standard of medical education as above prescribed, and shall have passed before said Board a satisfactory examination as to his qualifications to practice medicine, surgery and obstetrics. Such examination shall be had upon payment of the same fees and upon the same terms and conditions as are provided in Section 1 of said act, approved March 8, 1897, but the applicant shall have the right to designate, in writing, at the time he files his application, the member of the Board who shall conduct his first examination in materia medica, therapeutics, theory and practice of medicine, surgery, obstetrics and gynecology.

The Board at its discretion may authorize the Secretary to issue a temporary permit to an applicant for the interim from date of application until the next regular meeting of the Board. The State Board of Medical Registration and Examination shall have the right to review the evidence upon which a license has been obtained, and if it shall be found that a license has been obtained by fraud or misrepresentation, the Board may revoke such license. The Board [may] refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the use of liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery.

If any person holding a license under the provisions of this act shall be guilty of any of the above enumerated acts or shall have procured a certificate or license by fraud or misrepresentation, said Board may, after notice and hearing, revoke any license which has heretofore been or may hereafter be issued to him, together with the certificate upon which such license has been or may be issued.

A specific written charge, verified by affidavit, must be presented to the Board, making definite and specific charges of such facts against the holder of such license. The Board shall thereupon fix a time and place for the hearing of such charges, at which the person charged may appear and defend against the same. A copy of such charges, together with a notice of the time and place fixed for the hearing, shall be served upon the person so charged at least twenty (20) days before the time set for the hearing of the same. If, after such hearing, the Board revokes such certificate and license, such order shall be by said Board entered upon its record. A copy of such order of revocation, certified by the Secretary of such Board, shall be by it at once delivered to the Clerk of the Circuit Court of the county in which such license was issued, and such Clerk shall record the same upon the margin of the record of such license. If the Board shall refuse to grant a certificate for any of the reasons above stated, it shall enter such refusal upon its record, together with a statement of the grounds for such refusal. An appeal may be taken from the action of the Board to the Circuit or Superior Court of the county in which such license was issued in case of revocation, and to the county where the applicant lives in case of a refusal of a certificate, upon the licensee or applicant filing with the Clerk of such court, within thirty days from the entering of such order of revocation or refusal by said Board, a good and sufficient bond in the sum of two hundred dollars (\$200), to be approved by said Clerk, to secure the payment of costs of such appeal, should the appeal be determined against him. It shall thereupon be the duty of such Clerk to notify the said Board of the filing of such bond, and said Board shall thereupon forward to said Clerk the charges, together with a copy of the order of revocation, where there has been a revocation, or the application for a certificate and a copy of the order of refusal where there has been a refusal to grant a certificate. The Clerk of said court shall thereupon docket the same as a cause pending in said court. Said verified charges shall be treated as a complaint. The accused may plead to said charges and issues may be formed thereon as in any civil case, and the same shall thereupon be tried by the Judge of the Circuit Court. It shall be the duty of the Prosecuting Attorney of the circuit to which said county belongs to appear in such case and represent the Board. The only finding and judgment in

such cases shall be "guilty" or "not guilty," the same to be rendered separately as to each of the charges. If the finding and judgment of the court be "not guilty" as to each of said charges, the same shall be by the Clerk of said court certified to said Board, and it shall thereupon make an order setting aside its order of revocation, and forward to the Clerk of said court a certified copy thereof, which shall be entered upon the margin of the record of said license. If judgment of "guilty" of any of said charges be awarded in said case, the costs of such proceedings shall be recovered of the accused and a fee of ten dollars (\$10) shall be taxed therein in favor of the Prosecuting Attorney, and the order of revocation made by said Board shall be and remain in effect. During the pendency of such appeal the accused shall not be entitled to practice by virtue of such license. Where the appeal is from a refusal to grant a certificate, the same shall be heard upon the application and certified copy of the order of refusal without any other issues; the same to be tried by the Judge of said court, who shall, upon his finding, enter a judgment that the license shall or shall not be issued as the facts may require, and upon such order the Clerk of such court shall issue the proper license showing therein the authority by which it is issued, and shall report the same to the State Board. The Prosecuting Attorney shall represent the Board in such appeal, and if the court shall refuse the license judgment shall be entered against the applicant for costs, including ten dollars (\$10) fee for the Prosecuting Attorney. Appeals from the judgment of said court may be prosecuted to the Supreme Court as in other civil cases, either by said Board in its own name or by the applicant or holder of such license or certificate, where the judgment may be against him. No fees other than the fees of its own witnesses shall be taxed against said Board in any event. Where the applicant shall appeal from a refusal to grant a certificate, the cause shall be docketed in the name of the applicant against the State Board of Medical Registration and Examination. Where the license or certificate shall have been revoked, the cause shall be entitled The State Board of Medical Registration and Examination against A B (the holder of the license). (As amended March 11, 1901.)

This section has been twice construed by the Supreme Court.

State v. Webster, 150 Ind. 607;

In re. Application of Eliza E. Coffin, 152 Ind. 439.

Sec. 6. All persons practicing midwifery in this State, and who have practiced it for ten years last preceding March 8, 1897, and desiring to continue the same shall on or before July 11, 1899, make application to the State Board of Medical Registration and Examination by submitting an affidavit, fully attested, giving the name, age, residence, the length of time during which, and the place or places at which the applicant has been engaged in such practice, and the special education, if any, which the applicant has received for such practice. Such application shall be accompanied by the affidavits of two freeholders, duly attested, that the applicant is known to them as the person applying for a certificate to practice midwifery, and that such applicant has been engaged in the active practice of midwifery, giving the location or locations of such practice for the last ten (10) years previous to the passage of this act. Upon such application and the payment of one dollar (\$1) the State Board of Medical Registration and Examination shall issue to the applicant a certificate which shall, when presented to the County Clerk, entitle the holder to a license to practice midwifery in this State. All persons desiring to enter upon the practice of midwifery in this State after this law goes into effect shall present to the State Board of Medical Registration and Examination their diplomas, duly attested, and procured from an obstetrical school of such standing as shall be recognized and determined by the Board. Such applicant shall pay to said Board the sum of five dollars (\$5) at the time of making such application; or such applicant shall submit to an examination in midwifery as the Board shall require, and pay a fee of ten dollars (\$10). Such evidence of qualification being satisfactory to the Board it shall issue a certificate entitling the holder to a license from the Clerk of the county in which the applicant resides, which license shall entitle the holder to practice midwifery in this State. The license thus issued shall conform to all requirements of registration imposed upon physicians' licenses in section two of this act and shall be subject to revocation for the same cause as provided in section five in case of license to physicians. (As amended March 3, 1899, Acts 1899, p. 252.)

Sec. 7. Nothing in this act shall be (so) construed as to discriminate against any school or system of medicine, or to prohibit gratuitous services in cases of emergency, or to the administration

of family remedies. This act shall not apply to any commissioned officer of the United States Army, Navy or Marine Hospital service in the discharge of his official duties; nor to any physician or surgeon who is legally qualified to practice in the State or Territory in which he resides, when in actual consultation with a legal practitioner of this State; nor to any physician or surgeon residing on the border of a neighboring State and duly authorized to practice under the laws thereof, whose practice extends into the limits of this State: Provided, That such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this State. This act shall not be construed to prevent medical students from practicing medicine and surgery under the immediate and direct supervision of a licensed physician for a limited period of two years: Provided, however, That the said student had not practiced medicine, surgery or obstetrics prior to the passage of this act; in the event the amount of time said student has practiced medicine, surgery or obstetrics shall be deducted from the said two years herein mentioned; and in no event shall the said student open an office or offer to engage in the practice of medicine, surgery or obstetrics. Any person violating any of the provisions of this section shall be deemed guilty of a misdemeanor, and on conviction thereof shall subject the offender to a fine of not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200). (As amended March 3, 1899, Acts 1899, p. 253.)

Sec. 8. To open an office for such purpose or to announce to the public in any way, a readiness to practice medicine in any county of the State or to prescribe for, or to give surgical assistance to, or to heal, cure or relieve, or to attempt to heal, cure or relieve those suffering from injury or deformity, or disease of mind or body, or to advertise, or to announce to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body, shall be to engage in the practice of medicine within the meaning of this act: Provided, That nothing in this act shall be construed to apply to or limit in any manner the manufacture or sale of proprietary medicines. It shall also be regarded as practicing medicine within the meaning of this act, if any one shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "Healer," or any other title, word, letter

or designation intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches: Provided, That this act shall not be construed to apply to nonitinerant opticians who are at this time engaged in, or who may hereafter engage in the practice of optometry in this State, nor to professional or other nurses. In charging any person in an affidavit, information or indictment with a violation of this law by practicing medicine, surgery or obstetrics without license, it shall be sufficient to charge that he did, upon a certain day and in a certain county, engage in the practice of medicine, he not having any license to so do, without averring any further or more particular facts concerning the same. (As amended March 11, 1901.)

Sec. 9. Any person who shall practice medicine, surgery or obstetrics in this State without having a license duly issued as hereinbefore provided, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200).

Sec. 10. All laws and parts of laws in conflict with this act are hereby repealed, and also an act entitled "An act regulating the practice of medicine, surgery and obstetrics, providing for the issuing of license to practice, defining certain misdemeanors and providing penalties," approved April 11, 1885, and all amendments thereto be and the same are hereby repealed.

Additional Section 3. Three thousand (3,000) copies of the annual report of the Board to the Governor shall be printed in the same manner as the report of the State Board of Health; and the printing and stationery of the Board shall be paid out of the printing fund. (Added in 1899 and amended, March 11, 1901.)

Additional Sec. 4. The said Board may grant limited certificates which shall authorize the proper clerk to issue to the holder thereof a license to practice osteopathy only. Such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction. Such license shall not authorize the holder thereof to administer or prescribe or use on one other than himself any drugs or medicines, and any such ad-

ministration, prescription or use of any drug or medicine by the person holding such limited license shall be practicing medicine without a license, and such person shall be punished therefor as others are punished for practicing medicine without a license: Provided, further, That any person now holding a diploma issued from any college of osteopathy in the United States, and [who] is [now] a resident of the State of Indiana, shall be granted a certificate and license to practice osteopathy upon presenting his diploma to said Board and Clerk and paying the fee required by this act.

This law is constitutional.

State v. Webster, 150 Ind. 607.

In an appeal from a decision by the Board the State is the appellee and must be represented by the Prosecuting Attorney. The Board is not a party to the appeal.

In re. Application of Coffin, 152 Ind. 439.

In a prosecution under this law, it is sufficient to charge the offense in the language of the statute.

Rule 4. The Board ruled not to consider irregular forms of application, but to insist upon the use of the legally adopted forms referred to above.

The following question to the Attorney-General was submitted:

Question: "Inasmuch as the law defines the practice of medicine to be, 'To open an office for such purpose, or to announce to the public a readiness to practice medicine, surgery and obstetrics in any county in the State, or to prescribe for or to give surgical assistance to those suffering from disease, injury or deformity, should be to engage in the practice of medicine, etc.,' and as the law requires in case of change of residence from one county to another in the same State, that the holder of a license shall obtain a new license in the county where he proposes to reside by filing with the clerk the license obtained by him in the county where he last resided, when the clerk shall issue to him a new license, does it not follow that a legal practitioner can have but one professional residence or home, and that to open an office in a county, or to announce a readiness to practice in a county where he has no license, would be a violation of the law?"

The Attorney-General's answer was as follows:

"I think a licensed physician has a right to practice anywhere in the State. He can have but one residence at which he is required

to take out a license, but I see no reason in the law why he could not maintain any number of offices if he feels so disposed. It is not where he maintains his office that he is required to take out his license, but where his residence is, and it might well be that a physician should prefer to live in one county and yet have his office in another."

Rule 6. June 10 the Board ruled that all persons making complaints against applicants before the Board be required to be specific, giving full circumstances, dates, names and addresses of witnesses who can testify to particular allegations, and that affidavits be made to all charges forwarded to this office, or the Board can give the matter no consideration.

June 29, 1897, the Attorney-General furnished to the Board his definition of a "good, moral character," as prescribed by the law, as follows:

State Board of Medical Registration and Examination, State House:

Gentlemen—In answer to your inquiry as to what constitutes a good moral character, in view of the duty imposed upon the Board to refuse a certificate to any person guilty of gross immorality, I have to say that to all intents and purposes a man's character and reputation are identical, because while one depends upon himself and the other is what others think of him, for all practical purposes his character is the opinion which others have drawn from his actions.

Gross immorality may be defined as any serious breach of moral duty. Moral character is such character as is "in accord with, or controlled by, the rules of right conduct." If acts are charged against an applicant for a certificate, which, in the opinion of the Board, are not in accordance with the commonly accepted rules of right conduct, it is undoubtedly the duty of the Board to refuse a certificate, if it believes that the applicant has been guilty of the acts with which he is charged.

As to the question of what acts constitute gross immorality, it is impossible to give a full and clear definition, and each case must be left to the conscience of the Board.

The Board has prescribed a form of affidavit to be made by two freeholders, as to the character of applicants. This affidavit, when made, is by no means controlling, as, if specific charges are made against any applicant, it is the duty of the Board to investigate them, and, upon investigation it must refuse license if the charges are sustained, notwithstanding the fact that a false affidavit has been filed.

I have the honor to be

Yours very truly,

W. A. KETCHAM.

Attorney-General.

Resolved, That licenses granted upon diplomas issued by the Curtis Physio-Medical Institute, of Marion, Indiana, and The American Medical College or University of Medicine, Indianapolis, Indiana, if issued prior to March 8, 1897, and if it appears that the same were not procured by fraud, be recognized by this Board as valid, and that certificates be granted to the lawful holders thereof, whose applications have been received by this Board on or before the 13th day of July, 1897; and,

Resolved, That applicants for certificates upon diplomas issued by the above named colleges be required to pass a supplemental examination by this Board before certificates will be issued.

Rule 8. It was ruled by the Board that when charges are made against an applicant, he must be notified that an affidavit has been filed against him, and giving him a synopsis of the same and asking the accused to make a written reply, if he so desire, making affidavit to the same and having the same on file at the time designated by the Board for hearing.

Rule 9. August 25. It was ruled by the Board that all sworn evidence submitted to the Board in defense of an application be filed with the papers of the applicant for future reference and held as the property of the Board.

September 26, 1897, the following rule was adopted to govern the examinations held by the Board:

Rule 10. That each member of the Board be instructed to prepare a sufficient number of questions—ten questions to each subject—each subject bearing appropriate heading and written in type, numbered and signed at the upper right-hand corner by the members, for use in examination of applicants. Questions to be submitted to the approval of the Board, and that the order of examinations be taken as follows:

1. Anatomy.
2. Physiology.
3. Obstetrics.
4. Gynecology.
5. Materia Medica and Therapeutics.
6. Theory and Practice of Medicine.
7. Chemistry.
8. Surgery.

9. Pathology.
10. Bacteriology.
11. Hygiene.
12. Histology.
13. Rhinology.
14. Medical Jurisprudence.
15. Ophthalmology.
16. Otology.
17. Laryngology.
18. Dermatology.

The subjects upon which examinations are required were assigned to the various members of the Board as follows:

Anatomy, Physiology, Pathology, Bacteriology, Physio-Medical Materia Medica and Therapeutics, and Theory and Practice, to W. A. Spurgeon.

Gynecology, Ophthalmology, Otology, Eclectic Materia Medica and Therapeutics, and Theory and Practice, to W. F. Curryer.

Obstetrics, Laryngology, Dermatology, Homeopathic Materia Medica and Therapeutics, and Theory and Practice, to W. T. Gott.

Hygiene, Histology, Regular Materia Medica and Therapeutics, and Theory and Practice, to J. C. Webster.

Rhinology, Medical Jurisprudence, Chemistry and Surgery, to James M. Dinnen.

Rule 12. The following was adopted as a rule of the Board: That in cases where the applicant makes claim that his diploma has been lost in any way, that such applicant be required to furnish satisfactory evidence of his graduation by procuring and presenting to the Board a certificate from the Secretary of the medical college from which he obtained his degree, certifying to the fact of his graduation, giving date of the same and bearing the seal of the college.

Rule 16. That the Secretary of the County Medical Society of each county in the State having such officer, and some reputable and legally qualified physician in other counties where such officer is not found, be requested to send to this office the name of every person who is now or may hereafter engage in the practice of medicine in his respective county without having procured a certificate of qualification from this Board as provided by law; and

that he send therewith a verified charge of such violation, together with the names of one or more persons who have been treated by such illegal practitioners.

Rule 49. That in pursuance of the law which empowers the Indiana State Board of Medical Registration and Examination to make and establish all necessary rules and regulations for reciprocal recognition of certificates issued by other States, and to prevent unjust and arbitrary exclusion of graduates of medicine from this State who have filled its requirements, the Indiana State Board of Medical Registration and Examination does adopt and establish this rule: That no applicant from any other State for a certificate entitling him to practice medicine, surgery and obstetrics shall be granted a certificate by this Board on conditions less exacting than those required of applicants from Indiana by the Examining Board of the State from which he comes.

Rule 53. Whereas, This Board finds it almost impossible to get a proper understanding of the management, teachings and requirements of foreign medical colleges, and as foreign Boards have, so we are informed, held that graduates of American medical colleges should take an examination in their various countries before engaging in the practice of medicine, surgery and obstetrics; therefore, be it

Resolved, That on and after the adoption of this resolution all graduates of colleges outside the United States who apply to this Board for certificates shall be required to pass the examination of this Board.

Rule 58. Inasmuch as the law contemplates that a residence in this State is essential to eligibility to registration under the medical act of the State to practice medicine, surgery and obstetrics therein,

Resolved, That on and after this date (December 14, 1899) all applicants for registration, under the medical act now in force, not having a legal residence in Indiana, will be required to acquire a residence by sojourning in the State six months after making such application, before such applicant can become eligible to registration: Provided, That such person, being otherwise entitled to registration and having paid the fee of such registration, may be permitted to practice by special permit, until the expiration of the said period of six months.

Rule 60.. It will be necessary that specific charges be made in order that this Board may be able to take effective action. Gross immorality, habitual drunkenness, the drug habit, obtaining certificate or license by fraud or misrepresentation, are reasons contemplated in the law necessary to revoke, or refusal to grant license. All persons making complaints against applicants before this Board must be notified that when complaints are filed they must be specific, giving full circumstances, dates, and witnesses that will swear to the same, with the postoffice address of each, and make affidavit to the same, and forward at once to this office, or this Board can give the matter no consideration.

Whereas, The statute regulating the practice of medicine, surgery and obstetrics, as amended, requires an examination of applicants for registration ;

Resolved, That on and after the passage of said amendments, such applicant shall deposit examination fee with application, which will entitle him, without further charge, to a temporary permit to practice until the next regular meeting of the Board: Provided, That those whom the law exempts from examination shall deposit the fee required by law for registration of diploma. Inasmuch as the law regulating the practice of medicine, surgery and obstetrics in Indiana was, in 1901, so amended as to exempt from examination applicants for registration to practice osteopathy, who were, on March 11, 1901, residents of this State and possessed of diplomas from any osteopathic college in the United States; therefore, in order to establish what constitutes such college,

Resolved, That the diplomas of such applicants must have been issued by institutions possessing equipment and a curriculum equal to that fixed by the Associated Colleges of Osteopathy, as set forth by its constitution in 1898.

Whereas, By the amendments of 1901 to the medical act, the State Board of Medical Registration and Examination may grant limited certificates which will authorize the proper Clerk to issue a license to practice osteopathy only; and,

Whereas, It is provided by the law that "such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a

diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction;" therefore,

Resolved, That all applicants for registration to practice osteopathy in the State of Indiana and the college from which they procured their diplomas must comply with the schedule of minimum requirements in force at the time of application except insofar as pertains to materia medica;

Resolved, That hereafter when an applicant from another State applies for examination before the Board, the same be granted under the same rules and requirements as resident applicants, and should he pass with the required per cent., certificate may be issued by the Secretary when applicant makes his affidavit of residence within this State.

January 9, 1900.

Resolved, That each medical college in the State be requested to furnish the Board, on or before the second Tuesday in July, annually, the following information: The number of students in attendance during the preceding college year, the time covered by the class in matriculation, the per cent. of attendance upon lectures by each student, the number of lectures delivered by each teacher, and the per cent. of attendance by each student upon such lectures, and the number of students who failed to pass the entrance examination.

RULES FOR CONDUCTING MEDICAL EXAMINATIONS.

First. Help of every kind must be removed from the reach and sight of the candidate. Any person detected in trying to give or obtain aid shall be instantly dismissed from the room, and his paper for the entire examination cancelled.

Second. If any candidate withdraw himself, without permission, from the sight of the examiner, his examination shall be closed. This rule permits a candidate, temporarily ill, to withdraw from the room and return only by the consent of the examiner.

Third. No candidate shall, under any circumstances, enter the examination more than thirty minutes late, unless excused by the examiner, and no candidate shall leave the room within thirty minutes after the distribution of examination questions.

Fourth. All examinations shall be in writing. Paper, pens, blotters and ink will be furnished by the Secretary.

Fifth. The examinations shall continue three days. The sessions of each day shall be from eight to ten, ten to twelve, two to four and four to six. Questions will be given out and answers collected punctually at the time specified for each subject.

Sixth. A total average of 75 per cent. shall be necessary to license a candidate (he having otherwise complied with the law), providing that on no subject shall the grade be less than 40 per cent. A candidate having less than 50 per cent. in more than one subject shall be rejected. The candidate, however, is entitled to a second examination within one year without further charge.

Seventh. At the close of the examination each candidate shall sign the following statement, viz.:

"I hereby give my word of honor, without mental reservation or evasion in any manner, that in the examination before this Board, which I have just finished, I have neither given to a fellow candidate nor received from him, or from any other source what-ever, any information relating to the subject under consideration."

RESOLUTIONS OF MINIMUM REQUIREMENTS.

Resolved, That all medical colleges requiring a minimum of three years' study of medicine and two courses of lectures for graduation prior to 1886, and possessing proper facilities for teaching and a faculty embracing the chairs of anatomy, physiology, chemistry, materia medica, therapeutics, medicine, surgery and obstetrics, shall be recognized as in good standing.

Resolved, That for the eleven years ending April 14, 1897, all medical colleges exacting the foregoing requirements and possessing facilities and a faculty, as specified in the foregoing resolution, shall, by virtue of such facts, be recognized as in good standing to and including the year 1892, but that no medical college shall be recognized as in good standing which has not, since 1892, possessed the foregoing facilities and faculty, and which has not, in addition, exacted an entrance qualification and attendance upon three regular courses of lectures as a condition of graduation.

Resolved, That on and after July 1, 1899, no medical college will be recognized as in good standing which does not require the entrance qualifications prescribed by the Association of American Medical Colleges as a prerequisite for matriculation, which does not possess an adequate equipment for teaching medicine, which has not clinical and hospital facilities, and which does not have an active and competent faculty embracing the departments of anatomy, physiology, chemistry, materia medica, therapeutics, medicine, surgery, obstetrics, histology, pathology, bacteriology, ophthalmology, otology, gynecology, laryngology, dermatology, hygiene and state medicine, and which does not enjoin attendance upon 80 per cent. of four regular courses of instruction, of not less than twenty-six weeks each, in four different years, and which does not exact an average grade of 75 per cent. on an examination as a condition of graduation.

Provided, however, That the foregoing requirements shall not be enforced against any reputable medical college because of the fulfillment of any contract made by said college with matriculate at the time of matriculation, in accordance with or equivalent to the requirements of the Association of American Medical Colleges, in force at the time of said contract, provided that said contract be made prior to July 14, 1897, and fulfilled prior to July 14, 1902.

HOW TO OBTAIN A LICENSE TO PRACTICE MEDICINE IN INDIANA.

All applicants must be bona fide residents of the county and State.

Every applicant must procure the necessary blank from his County Clerk or from the Secretary of the Board, fill it out carefully and make affidavit to the same before some officer authorized to administer oaths, also have two freeholders, residents of the same county in which applicant resides, make affidavit as to the moral character and to the personal identity of the applicant as the person mentioned in the diploma. The application blank, when properly filled, together with diploma and proper fee must be sent by express or registered mail to the State Board of Medical Registration and Examination, Room 120, State House, Indianapolis, Indiana.

The only applicants exempt from examination are the graduates of reputable medical colleges located in Indiana. After January 1, 1905, an examination will be required of all candidates. The subjects for examination are anatomy, physiology, obstetrics, gynecology, materia medica and therapeutics, theory and practice of medicine, chemistry, surgery, pathology, bacteriology, hygiene, histology, rhinology, medical jurisprudence, ophthalmology, otology, laryngology and dermatology.

The examination begins the second Tuesday in January and July of each year, at 8 a. m., and continues three days. Only graduates of reputable medical colleges are admitted to the examination.

Applications for examination, accompanied by diploma and fee, \$25, should be on file in this office at least five days prior to the date for examination.

Temporary permits to practice medicine, surgery and obstetrics until one month after the next regular meeting of the Board are

issued on request, when the application is complete and satisfactory, diploma recognized and fee paid in full.

Upon receipt of the certificate by the applicant, he shall, upon the presentation of the same to the Clerk of the county in which he resides, receive a license to practice medicine, surgery and obstetrics, within the State of Indiana. The recipient of such license shall pay to the County Clerk fifty cents as his fee for issuing and recording the same.

In case of change of residence from one county to another within this State, the holder of a physician's license shall obtain a new license in the county where he proposes to reside by filing with the County Clerk the license obtained by him in the county in which he last resided and the Clerk shall issue to him a new license.

No person is qualified to practice medicine, surgery or obstetrics within the State of Indiana who has not first procured a license or temporary permit to do so under the acts of 1897, 1899 or 1901.

Those who desire to apply for license to practice obstetrics must follow the same directions as above, but the fee is only five dollars for registration on diploma from a recognized school, or ten dollars for examination.

The regular sessions of the Board are held the second Tuesday in January and July of each year.

Fee for registration on diploma, \$10.

Fee for examination, \$25.

All fees must be sent by registered mail, express, postal note or draft. Individual checks are not accepted by the Board.

EXAMINATION QUESTIONS.

The following lists of questions were submitted in the examinations of 1901:

ANATOMY.

(Answer any ten and no more.)

1. Describe the radial artery.
2. Describe the median nerve.
3. Describe the internal mammary artery.
4. Describe the pericardium.
5. Describe the diaphragm.
6. Describe the phrenic nerves.
7. Give the boundaries of the mediastinum, and name the anatomical elements contained therein.
8. Give location and description of medulla oblongata.
9. Give location and brief description of corpus callosum.
10. Describe the duodenum.
11. Describe the vena portae.
12. Describe the pancreas.

—Submitted by W. A. Spurgeon, M. D., January.

PHYSIOLOGY.

1. What is the normal specific gravity of the human blood, and how would you determine the same?
2. What proportion of hemoglobin is found in normal human blood?
3. Describe the process of digestion.
4. Describe the circulation of the blood.
5. What articles of food are known as carbo-hydrates?
6. What proportion of urea is present in normal urine?
7. What proportion of the phosphates is present in normal urine?
8. How would you determine the presence or absence of albumen in urine?
9. Define sensibility as applied to the nervous system.
10. Would you describe the spinal cord as a nerve or a nerve center, and why?

9. Define sensibility as applied to the nervous system.
10. Would you describe the spinal cord as a nerve or a nerve center, and why?

—Submitted by W. A. Spurgeon, M. D., January.

OBSTETRICS.

1. (a) What are the early symptoms of threatened puerperal eclampsia?
(b) Give treatment of puerperal convulsions.
2. (a) What symptoms would lead you to suspect a presenting placenta?
(b) Give management of placenta previa.
3. Give proper antiseptic methods in the management of a case of labor at full term.
4. Give treatment, medicinal and otherwise, you would employ in puerperal septicemia.
5. Briefly state the most common causes and treatment of post-partum hemorrhage.
6. What means would you employ in resuscitating the new-born in suspended animation?
7. Give probable cause or causes of ophthalmia neonatorum, and its proper treatment.
8. Give symptoms of a dead fetus in utero, and proper treatment of such condition.
9. How many varieties of version, and how is each performed?
10. What conditions may arise that would warrant the induction of premature labor after the beginning of the eighth month?

—Submitted by W. T. Gott, M. D., January.

GYNECOLOGY.

1. Give the size and weight of a normal adult virgin uterus.
2. Describe the uterine ligaments, the Fallopian tubes and ovaries.
3. What is meant by puberty?
4. What is meant by uterine sub-involution?
5. How would you diagnose and treat a pelvic abscess?
6. How would you diagnose and treat an ovarian tumor?
7. How would you diagnose and treat a pyosalpinx?
8. When and how would you repair a lacerated cervix, and what arteries are you likely to injure?
9. What is meant by ventral fixation? When and how should it be performed?
10. How would you treat a case of septic metritis?

—Submitted by W. F. Curryer, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Regular.)

1. What is normal salt solution, its physiologic action, an indication for its therapeutic application and method of introduction into the organism?
2. What is serum therapy? Name a disease in which its therapeutic application is indicated.

3. Name some medicinal agents which increase the renal function, some which increase the hepatic function, and some which increase the bronchial secretion.
 4. Name a medicinal agent which increases the force of heart action, one which decreases it, and the physiologic action of each.
 5. Name (a) some medicinal agents which are cerebral excitants, and (b) some which are cerebral sedatives.
 6. Name some medicinal agents which are restorative, and some which increase tissue waste.
 7. Name some medicinal agents which are antiseptic in their action, and indications for their use.
 8. Name some medicinal agents which excite the functional activity of the spinal cord and sympathetic, and some which depress it.
 9. Write a prescription for a general tonic.
 10. Name some medicinal agents which are anthelmintic in their action.
- Submitted by J. C. Webster, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Regular.)

1. Define briefly (a) pathology, (b) etiology, and (c) bacteriology.
 2. Define differential diagnosis and give example.
 3. Name some diseases which are caused by micro-organisms, media by which they are transmitted and effective means of prophylaxis.
 4. Describe normal body temperature, normal pulse, and normal respiration, and name some pathologic conditions which cause a marked departure therefrom in each.
 5. What is hyperpyrexia, its effects on the tissues and efficient method of reduction.
 6. What findings from urinalysis would indicate Bright's disease of the kidneys?
 7. Name a skin disease, give diagnosis and treatment.
 8. Give cause, diagnosis and treatment of croupous pneumonia.
 9. Name the principal tendon reflexes, and their value as diagnostic factors.
 10. Give cause, symptoms, diagnosis and treatment of influenza.
- Submitted by J. C. Webster, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Eclectic.)

1. What is the difference between a food and a medicine?
2. Name two arterial sedatives, with dose of each.
3. By what routes may medicines be introduced into the system?
4. What is our most reliable antiperiodic, and what is the dose?
5. What can you say about echinacea aug., and the dose?
6. What is the alkaloid made from belladonna called? Give its uses.

7. When would you give *nux vomica*, and in what doses?
8. What is a medicinal dose of *potassia iodide*, and in what conditions is it used?
9. When would you recommend an acid, and when an alkali?
10. Give the various modes of applying water therapeutically.

—Submitted by W. F. Curryer, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Eclectic.)

1. Give your method of making an examination of a patient, "taking a case."
2. How would you diagnose an appendicitis? What is the medical treatment, and when does it become a surgical case?
3. What is home sanitation, and how is it to be accomplished?
4. How do you differentiate *variola* from *varicella*?
5. How do you diagnose a case of myocarditis, and what is your treatment?
6. What are the symptoms and treatment of cerebral congestion?
7. How do you diagnose a case of cerebral apoplexy?
8. Give the symptoms and treatment of chronic gastritis.
9. Give the diagnosis and treatment of pleuro-pneumonia.
10. What care should be required of a convalescent from *rubeola*?

—Submitted by W. F. Curryer, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Homeopathic.)

1. Give indications for the use of *ipecacuana*.
2. Give indications for the use of *lobelia*.
3. Give indications for the use of *opium*.
4. Give indications for the use of *china*.
5. Give indications for the use of *camphor*.
6. Give indications for the use of *hypericum*.
7. Give indications for the use of *soda bi-carb*.
8. Give indications for the use of *bi-iodide of mercury*.
9. Give indications for the use of *podophyllum peltatum*.
10. Give indications for the use of *cactus grandiflora*.

—Submitted by W. T. Gott, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Homeopathic.)

1. State cause and differential diagnosis of exudative tonsillitis.
2. Give etiology and three of the most commonly indicated remedies in typhoid fever.

3. Give diagnosis and three of the most important remedies in the treatment of pneumonia.
4. At what point would you expect to hear a mitral regurgitant murmur most pronounced?
5. Give diagnosis and management of diphtheria.
6. State some of the most prominent symptoms found and remedies used in dysentery.
7. Give pathology and treatment of cerebro-spinal meningitis.
8. Give diagnosis and treatment of measles.
9. Give differential diagnosis of small-pox.
10. Give diagnosis of scarlatina.

—Submitted by W. T. Gott, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Physio-Medical.)

1. What is the mode of action and for what condition would you administer urotropin?
2. Give the therapeutic indications for *dioscorea vil.*
3. Name three classes of diuretics, and give the condition in which each is indicated.
4. Name three agents which tend to diminish cerebral congestion, and give the mode of action in each.
5. For what would you combine *chionanthus virg.* with *podophyllum*?
6. What is the difference in the therapeutic influence of *viburnum prun.* and *viburnum opulus*?
7. For what condition would you give *melicaria rep.*, and with what agents may it be combined with advantage?
8. What are the indications for *cascares sag.*, and what for *juglans cin.*?
9. How would you classify sanative agents as to their general therapeutic effect?
10. What is a sanative agent?

—Submitted by W. A. Spurgeon, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Physio-Medical.)

1. Define fever.
2. With what forms of disease may typhoid be confounded? Give differential diagnosis.
3. Give the usual causes of pneumonia, diagnostic symptoms and treatment.
4. Give the diagnostic signs of diphtheria and treatment for laryngeal form.
5. How would you differentiate laryngeal diphtheria from membranous croup, and how would you treat the latter?
6. State the forms of anemia with cardinal symptoms, and treatment for each.

7. Upon what signs and symptoms can you positively diagnose malaria?
8. What are the positive symptoms of tubercular kidney, and what would be your treatment?
9. Name the forms of herpes, giving the symptomatic manifestations and treatment of each.
10. What is the best treatment for a common cold?

—Submitted by W. A. Spurgeon, M. D., January.

CHEMISTRY.

1. What is the specific gravity of healthy urine?
2. How would you test urine for bile?
3. How would you test urine for blood?
4. How would you test urine for sugar?
5. Give the most delicate tests for albumen in urine.
6. Give the chemical composition of human saliva.
7. What is the chemical difference between calomel and corrosive sublimate?
8. Give the chemical formula for water.
9. Define chemistry.
10. What is Fowler's solution?
11. What is formaldehyde?

—Submitted by James M. Dinnen, M. D., January.

SURGERY.

1. Define a luxation.
2. How would you treat a transverse fracture of the patella?
3. Describe a compound comminuted fracture.
4. Describe the various dislocations of the shoulder.
5. What are the symptoms of dislocation of the hip joint?
6. What conditions render amputation necessary?
7. What is a strangulated hernia?
8. Describe a femoral hernia.
9. What are the signs and symptoms of peritonitis?
10. What are the signs and symptoms of gall stones?

—Submitted by James M. Dinnen, M. D., January.

ANATOMY.

(Answer any ten.)

1. What is osteology?
2. Name the long bones of the body, and give their locations.
3. Give a brief description of the occipital bone.
4. Locate and describe the musculo-spiral nerve.
5. Describe the spinal meninges.
6. Locate and briefly describe the dorsalis-pedis artery.
7. Describe the stomach.

8. Describe the colon.
9. Describe Scarpa's triangle, and name the structures found within it.
10. Locate and describe the principal arteries of the hand.
11. Name the flexor muscles of the forearm.
12. Describe the skin.

—Submitted by W. A. Spurgeon, M. D., July.

PHYSIOLOGY.

(Answer any ten.)

1. What are the functions of the (a) cerebrum, and (b) cerebellum.
2. Through what course does the sensation of light pass from the retina to the brain?
3. What is the function of the thyroid gland?
4. Describe the process of excretion of the urine.
5. What is the physiological composition of the saliva?
6. What is the composition of normal urine?
7. Name the sensory and motor tracts of the spinal cord.
8. How is the heat of the body regulated?
9. What is the physiological composition of the blood?
10. Describe the action of the heart.
11. What physiological processes take place in muscular tissue?
12. Define and describe metabolism.

—Submitted by W. A. Spurgeon, M. D., July.

OBSTETRICS.

1. Give the diameters of the normal female pelvis.
2. State number and varieties of presentation of the fetal head.
3. State the proper management of the puerperium.
4. Give diagnosis of the puerperal state.
5. State (a) the most common causes of prolapse of the cord, (b) management, and (c) prognosis.
6. State the probable cause or causes of overgrowth of the fetus.
7. How long would you allow pregnancy to exceed the normal duration before inducing labor?
8. Give diagnosis and management of placenta previa.
9. State causes, diagnosis and management of uterine rupture.
10. Give early symptoms and treatment of eclampsia gravidarium.

—Submitted by W. T. Gott, M. D., July.

GYNECOLOGY.

Give the etiology, symptoms, diagnosis and treatment of the following:

1. Amenorrhoea.
2. Metritis.
3. Endometritis.
4. Albuminuria during utero gestation.

5. Salpingitis.
6. Pelvic abscess.
7. Give some of the causes of sterility.
8. How would you treat a fistula in ano?
9. Give differential diagnosis of ascites and ovarian cyst.
10. How would you treat urethral caruncle?

—Submitted by W. F. Curryer, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Regular.)

Answer briefly and concisely in writing the following:

1. Define sanitation, and name some of its results in the modification and prevention of disease.
2. What are the therapeutic properties of sun-light and fresh air?
3. Name three therapeutic agents which increase, and three which diminish blood-pressure, describe how these results are produced, and give form of prescription for one of each class.
4. Define (a) decoction, (b) infusion, and (c) fluid extract.
5. Name four therapeutic agents which increase glandular action, and specify the gland whose function each increases.
6. Describe normal salt-solution, the technic of its introduction into the circulation, and its physiologic action.
7. Name (a) a therapeutic agent which excites, and (b) one which depresses the functional activity of the spinal cord.
8. Name two therapeutic agents which stimulate, and two which depress the respiratory function.
9. How does ergot arrest uterine hemorrhage?
10. Name some medicinal agents which lower body temperature, and explain the physiologic processes by which they do it.

—Submitted by J. C. Webster, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Regular.)

Please answer, briefly and concisely in writing, the following:

1. Define (a) health, (b) disease.
2. Define so-called heredity of disease.
3. Define infection, and name some infectious diseases.
4. Define small-pox, differentiate it from (a) chicken-pox, and (b) impetigo contagiosa; give most effectual means of prophylaxis, and describe the technic of vaccination.
5. Define coma, and differentiate the coma of apoplexy from that of (a) alcoholic poisoning, (b) opium poisoning; and outline the treatment of each.
6. How would you treat a case of arsenical poisoning?
7. The presence of what three symptoms is diagnostic of exophthalmic goitre?

8. Describe the diagnostic symptoms of locomotor ataxia.
9. Name some infectious diseases which are amenable to specific treatment; specify such treatment.
10. Differentiate the symptoms of strychnine poisoning from those of traumatic tetanus.

—Submitted by J. C. Webster, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Eclectic.)

Give the common name, therapeutic properties, dose and symptoms in full where you would prescribe the following remedies:

1. Aconite nap.
2. Veratrum vir.
3. Atropa belladonna.
4. Bryonia alb.
5. Echinacea ang.
6. Pulsatilla nig.
7. Name three drugs of importance in the treatment of pneumonia, give indications for each and the dose.
8. Name three drugs of importance in the treatment of enteric fever, give indications for each and the dose.
9. Name three drugs of importance in the treatment of gastric ulcer, give indications for each and the dose.
10. Name four of the most reliable remedies for pulmonary hemorrhage.

—Submitted by W. F. Curryer, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Eclectic.)

1. Describe the symptoms of acute dysentery and outline treatment.
2. Give the etiology, pathology, symptoms and treatment of enteric fever.
3. What is a common cause of locomotor ataxia?
4. Describe the patellar reflex and the method by which it is tested.
State the significance of its absence or exaggeration.
5. How would you quarantine a case of variola.
6. Give the etiology, pathology and treatment of cholera infantum.
7. Give the etiology, pathology and treatment of pneumonia.
8. Give the etiology, pathology and treatment of pernicious malaria.
9. Enumerate the diagnostic sounds in a diseased respiratory apparatus, and describe any one of the sounds mentioned.
10. Describe the tongue where an (a) acid, (b) alkali is indicated.

—Submitted by W. F. Curryer, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Homeopathic.)

1. Give the action of *asafetida* on the muscular system.
2. Give the action of *acidum hydrocyanicum* on the cerebro-spinal system.
3. What are the most important indications for the use of *camphora*?
4. *Dioscorea villosa* is indicated most often in disease of what organs?
5. In what way does *corium maculatum* affect the eyes?
6. Give the therapeutic individuality of *arum triphyllum*.
7. Give the important indications for the use of *ipecacuanha*.
8. Give the therapeutic individuality of sulphur.
9. How does *senega* affect mucous membranes?
10. Give phosphorus indications.

—Submitted by W. T. Gott, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Homeopathic.)

1. What is an abscess?
2. Give diagnosis and most common cause of aneurism.
3. What is cachexia?
4. Give diagnosis of desquamative nephritis.
5. State the symptoms of edema of the larynx.
6. Give diagnosis and treatment of small-pox.
7. Give etiology and treatment of varicella.
8. Give diagnosis and treatment of dysentery.
9. State cause and treatment of malaria.
10. (a) Define *spina bifida*, (b) give treatment.

—Submitted by W. T. Gott, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Physio-Medical.)

Give the conditions in which you would prescribe:

1. *Echinacea*.
2. *Pulsatilla*.
3. *Hydrastis Can.*
4. *Apocynum*.
5. *Salicin*.
6. *Cimicifuga*.
7. *Cypripedium*.
8. Name three agents of most importance in the treatment of pneumonia.
9. Name three agents of importance in the treatment of enteric fever with indications for each and the dose.
10. Name four of the most reliable agents for pulmonary hemorrhage.

—Submitted by W. A. Spurgeon, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Physio-Medical.)

1. Define (a) health, and (b) disease.
2. Define so-called heredity of disease.
3. Define infection, and name some infectious diseases.
4. Define smallpox, differentiate it from (a) chicken-pox and (b) impetigo contagiosa; give most effectual means of prophylaxis, and describe the technic of vaccination.
5. Define coma, and differentiate the coma of apoplexy from that of (a) alcoholic poisoning, (b) opium poisoning; and outline the treatment of each.
6. How would you treat a case of arsenical poisoning?
7. The presence of what three symptoms of diagnostic of exophthalmic goitre?
8. Describe the diagnostic symptoms of locomotor ataxia.

10. Differentiate the symptoms of strychnine poisoning from those of traumatic tetanus.

--Submitted by W. A. Spurgeon, M. D., July.

CHEMISTRY.

1. Describe in detail the different tests for sugar in the urine, and state which are the most trustworthy. What are the common sources of error in the copper tests?
2. Describe in detail four tests for albumen in the urine. Which are the most trustworthy? What are the common sources of error?
3. Describe in detail—naming the end products, the chemical changes which take place in the (a) gastric digestion of albumen, (b) pancreatic digestion of albumen, (c) pancreatic digestion of starch.
4. What is the action of the pancreatic juice on fats, and what ferments are contained in this digestive fluid?
5. Name the bile salts.
6. Describe the chemistry of respiration.
7. Describe the tests for detection of the following poisons found in the stomach contents and the technique of preparing the contents for the chemical examination: (a) Strychnine, (b) morphine, (c) atropin.
8. Define the following terms: (a) Ptomaine, (b) toxin, (c) antitoxin.

or other sufficient evidence of graduation. All applicants graduating after January 1, 1900, must have had four full courses—in four separate years—in medical colleges having adopted the standard of requirement equal to those of the Association of American Medical Colleges. Other physicians and undergraduates applying for licenses are examined. Only residents of Colorado are registered.

Dr. S. D. Van Meter, Denver, is Secretary of the State Board of Medical Examiners.

CONNECTICUT.

In this State a license will be issued to any person of good character, who has received a diploma from some legally incorporated medical college, and who passes an examination before any one of the three committees appointed by the State Board of Health, on the nomination of the Connecticut Medical Society, the Connecticut Homeopathic Medical Society and the Connecticut Eclectic Medical Association. Each committee frames its questions and conducts its examinations and files both questions and answers with the State Board of Health, which issues certificates of registration. The examinations are in the several branches of medicine.

Dr. C. A. Lindsley, New Haven, is Secretary of the State Board of Health, to whom applications for blank forms and for examination should be made.

DELAWARE.

The right to practice in this State is conferred only by a certificate of the Medical Council. All applicants must present diplomas from legally incorporated medical colleges. Graduates after April, 1895, must have attended three courses of lectures in different years. Applicants, furthermore, must pass a written examination before the Board of Medical Examiners representing the President and Fellows of the Medical Society of Delaware, or that representing the Homeopathic Society of Delaware State and Peninsula.

Reciprocity of license is permitted by the law with other States having a standard of requirements substantially the same as that required by the Medical Council of Delaware.

Dr. P. W. Tomlinson, Wilmington, is Secretary of the Medical Council, to whom applications for examination should be made.

DISTRICT OF COLUMBIA.

Only graduates in medicine holding diplomas acceptable to the Board of Medical Supervisors of the District are eligible to the examination. Diplomas issued prior to July 1, 1898, shall be accompanied by satisfactory evidence that the applicant has studied medicine not less than three years prior to the issuing thereof, and four years if issued subsequent to June 30, 1898. Diplomas issued on two courses of lectures can not be accepted without evidence of at least one year's additional study prior to the issue of a diploma. All examinations are in the usual branches of medicine. Licenses may be issued without examination to physicians holding certificates from the examining boards of other States, providing the said Boards grant equal rights and recognition to the licentiates of the Board of Medical Supervisors of the District of Columbia. Examinations are conducted by three Boards of Medical Examiners, representing the Regular, Homeopathic and Eclectic Schools. All examinations are subject to review by the Board of Medical Supervisors.

All applications for a license must be made to the Secretary of the Board of Medical Supervisors, Dr. William C. Woodward, Washington, D. C.

FLORIDA.

The law of this State requires that an applicant for a certificate shall pass an examination before the Board of Examiners of a Judicial District, a State Homeopathic Board or a State Eclectic Board. The applicant to a District Board must present a diploma from a recognized school. To the Homeopathic Board a diploma from a school recognized by the American Institute. To the

Eclectic Board a certificate of graduation from an Eclectic school. There is no uniform standard for examinations. Each Board establishes its own standard.

In this State there are three Boards of Examiners of five members each appointed by the Governor from the Regular, Eclectic and Homeopathic schools. Each Board examines only persons making application to it, who are graduates of incorporated medical colleges, that require not less than three full courses of studies of six months each, or in the case of persons graduated prior to April 1, 1895, on two full courses of studies. The applicant shall appear before the Board which represents the system that he proposes to practice.

Dr. J. B. S. Holmes, Atlanta, is Secretary of the Board, representing the Regular School of Medicine. Dr. R. E. Hinman, Atlanta, is Secretary of the Board representing the Homeopathic School of Medicine. Dr. M. T. Salter, Atlanta, is Secretary of the Board representing the Eclectic School of Medicine.

HAWAII.

A license to practice medicine in Hawaii Islands is granted by the Minister of the Interior on the recommendation of the Board of Health after an examination by the same Board.

Dr. J. S. B. Pratt, Honolulu, is executive officer of the Board.

IDAHO.

Graduates of reputable colleges of medicine in good standing with the State Board of Medical Examiners, are eligible to examination. The applicants are examined in the applied branches of the theory and practice of medicine and surgery as are taught in the reputable schools of the system of medicine to which the applicant belongs, and in which the applicant intends to practice. At present the Board examines applicants upon twelve branches, as follows: Anatomy, physiology, materia medica and therapeutics, obstetrics, gynecology, chemistry and toxicology, diagnosis, theory and practice, histology and pathology.

Dr. R. L. Nourse, Hailey, is the Secretary of the State Board of Medical Examiners.

ILLINOIS.

An examination is required of every person desiring to commence the practice of medicine in the State. An applicant must be a graduate of a medical college or institution in good standing as may be determined by the Board, and if graduating after January 1, 1900, must show evidence of having attended four courses of lectures in four separate years. The examination embraces those general subjects and topics, a knowledge of which is commonly and generally required of graduates for the degree of Doctor of Medicine by reputable medical colleges of the United States.

Applicants who have been examined and licensed by other State Examining Boards having at the time of examination standards not lower than those required by the State Board of Health of Illinois, will be granted certificates without examination, if the Examining Board in question will recognize certificates issued by the Board, under the provisions of the act now in force.

INDIAN TERRITORY.

In the Cherokee Nation, all persons desiring to begin the practice of medicine must obtain a certificate from a Board of Medical Examiners of a Supreme Judicial District. An examination may or may not be required of a graduate of some medical school of reputable standing. Certificates are not issued to non-graduates in medicine.

In the Creek Nation a graduate of a reputable medical college may be granted a certificate by the Board of Physicians without examination. Non-graduates are examined.

In the Choctaw Nation an examination is required of all persons, but, as in the Creek Nation, there is no penalty for violation of the law except that the offender shall be held to be an intruder and dealt with accordingly.

It is stated that in the above nations, as well as in the Peoria, Wyandotte and others, the laws are null and void.

INDIANA.

An examination is required of all applicants for a certificate to practice medicine in this State, except students who matriculate in an Indiana medical college before January 1, 1901, and graduate and make application to the Board prior to January 1, 1905. The applicant for an examination must have graduated from a reputable medical college, maintaining a standard of medical education prescribed by the Board. The subjects for examination are anatomy, physiology, obstetrics, gynecology, materia medica and therapeutics, theory and practice of medicine, chemistry, surgery, pathology, bacteriology, hygiene, histology, rhinology, medical jurisprudence, ophthalmology, otology, laryngology and dermatology. The Board by law is empowered to establish and cause to be rigidly adhered to, a schedule of minimum requirements and rules for medical colleges. The Board is empowered to make and establish all necessary rules and regulations for the reciprocal recognition of certificates issued by other States.

Dr. W. F. Curryer, Indianapolis, is Secretary of the State Board of Medical Examiners.

IOWA.

From and after January 1, 1899, all persons beginning the practice of medicine in the State of Iowa, must submit to an examination in the several branches of medicine and in addition thereto must present diplomas from medical colleges recognized as in good standing by the State Board of Medical Examiners; and all persons receiving their diplomas subsequent to January 1, 1899, must present evidence of having attended four full courses of study of not less than twenty-six weeks each, no two of which courses shall have been given in any one year.

Dr. J. F. Kennedy, Des Moines, is Secretary of the Board.

KANSAS.

In accordance with the law regulating the practice of medicine in the State of Kansas, persons desiring to commence the practice of medicine in the State shall apply to the State Board of Medical Registration and Examination and furnish evidence that they have devoted not less than three periods of six months each, no two within the same twelve months, or, if after April 1, 1902, four periods of not less than six months each, no two within the same twelve months, to the study of medicine and surgery, and submit to such examination as the Board may prescribe. The law further provides that graduates of legally chartered medical institutions of the United States or foreign countries in good standing, as determined by the Board, may, at the discretion of the Board, be granted a license without examination, and that the Board may, in its discretion, accept in lieu of examination or diploma, the certificates of other Boards, whose standards of qualifications for practice are equivalent to those of Kansas. The rules of the Board provide that on or after January 1, 1902, only two classes of medical practitioners are eligible for registration in Kansas, viz.: Those with diplomas from reputable medical colleges and those who have taken the examination required by the Board. "If the holder of a good diploma presents in lieu thereof the certificate of another State Board showing him to be a graduate, that will, with few exceptions, be an acceptable basis for registration."

Dr. H. W. Roby, Topeka, is Secretary of the Board.

KENTUCKY.

The authority to practice medicine is a certificate from the State Board of Health, which, upon application, issues a certificate to any reputable physician who is practicing, or who desires to begin the practice of medicine in this State who possesses any of the following qualifications: First, a diploma from a reputable medical college legally chartered under the laws of this State. Second, a diploma from a reputable and legally chartered medical college of some State or county endorsed as such by the State Board of Health. Third, satisfactory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine in this State prior to February 23, 1864.

Dr. J. N. McCormack, Bowling Green, is Secretary of the Board.

LOUISIANA.

All persons before entering upon the practice of medicine in any of its branches, in this State, must present to the Board of Medical Examiners a diploma from a medical college in good standing as determined by the Board, and pass a satisfactory examination. The applicant shall also satisfy the Board that he or she is twenty-one years of age, of good moral character, and possesses at least a fair primary education. The Board, composed of physicians and surgeons recommended by the Louisiana State Medical Society, examines all applicants who propose to practice any other than the Homeopathic system of medicine, and the Board composed of physicians recommended by the Hahnemann State Medical Society examines all applicants who propose to practice the Homeopathic system of medicine.

Dr. F. A. Larue, 624 Gravier street, New Orleans, is Secretary of the Board, representing the Louisiana State Medical Society; and Dr. Gayle Aiken, 1102 St. Charles avenue, New Orleans, is Secretary of the Board representing the Hahnemann State Medical Society.

MAINE.

All persons who apply for registration in this State must present to the Board of Registration of Medicine a diploma from a medical school or college in good standing with the said Board and pass an examination in the several branches of medicine. The standard of medical instruction which the Board will approve is three years of medical study and three courses of lectures for those who graduate previous to 1902, and four years' study and four courses of lectures after 1901. Five years of reputable practice before 1901 will be accepted in lieu of one year's study. Any person who is eligible for examination before this Board and who has been examined and registered or licensed by the examining Board of any other State, which maintains a standard of education at least equal to that required in this State, may be registered by this Board and have a certificate issued to him, signed by the Chairman and Secretary, upon complying with certain requirements.

Dr. A. K. P. Meserve, Portland, is Secretary of the Board.

MARYLAND.

Physicians and surgeons of good moral and professional standing, graduates of a medical college or university of good standing, or having a certificate or license from a Board of Medical Examiners of any State, where the requirements for practice are equal to those required in this State, may make application to either Board of Medical Examiners of the State. The Board of Medical Examiners has the authority and discretion to require such applicants to submit to an examination, the terms and methods of which shall be prescribed by the Board.

Dr. J. M. C. P. Scott, Hagerstown, is Secretary of the Board, representing the Medical and Chirurgical Faculty of Maryland, and Dr. Joseph S. Garrison, Easton, is Secretary of the Board, representing the Maryland State Homeopathic Society. Applications should be made to the Secretary of the Board before which the applicant desires to appear.

MASSACHUSETTS.

The State Board of Registration in Medicine is required to examine all persons who desire to commence the practice of medicine in this State. The examinations are wholly or in part in writing in the English language, and of a scientific and practical character. They include the subjects of anatomy, surgery, physiology, pathology, obstetrics, gynecology, practice of medicine and hygiene, and shall be sufficiently thorough to test the applicant's fitness to practice medicine. The applicant must be over twenty-one years of age, and of good moral character.

Dr. E. B. Harvey, Boston, is the Secretary of the Board.

MICHIGAN.

The Board of Registration of Medicine in this State is empowered to license without examination "graduates of * * * reputable colleges of medicine having at least a three years' course of eight months in each year, or a course of four years of six months in each year, * * * as shall be approved and designated by the Board of Registration." Other graduates and non-graduates are examined by the Board. Reciprocity with other States is permitted.

Dr. B. D. Harison, Sault Ste. Marie, is Secretary of the Board.

MINNESOTA.

All persons who hereafter commence the practice of medicine and surgery in this State must apply to the Board of Medical Examiners for a license, and the applicant, at the time and place designated by the Board, or the regular meeting of the Board, must submit to an examination. Graduates prior to July 1, 1887, must present evidence of having attended two courses of lectures in different years, if their diploma dates later than July 1, 1887, and prior to January 1, 1899, three courses are required, and if subsequent to January 1, 1899, four courses.

After January 1, 1902, applicants for license to practice medicine and surgery must present evidence of having attended four (4) full courses at a medical college recognized by the Minnesota State Board of Medical Examiners, of at least twenty-six weeks each, no two courses being in the same year. Graduates of medical colleges granting advanced standing for work done at other than medical colleges are not eligible to the examinations given by the Board. The above does not apply to such students as have been granted advanced standing prior to September, 1901.

Dr. C. J. Ringnell, Minneapolis, is Secretary of the Board.

MISSISSIPPI.

Every person who desires to obtain a license to practice medicine and surgery must apply in writing to the State Board of Health and be examined by this Board touching his learning in the following branches of medicine: Anatomy, chemistry, obstetrics, materia medica, physiology, pathology, surgery and hygiene.

Dr. J. F. Hunter, Jackson, is Secretary of the Board.

MISSOURI.

Any person desiring to commence the practice of medicine in this State can appear before the State Board of Health and be examined as to his fitness. The examination embraces the usual subjects.

Dr. W. F. Morrow, Kansas City, is Secretary of the Board.

MONTANA.

All persons wishing to practice medicine in this State must apply to the State Board of Medical Examiners for a certificate and present a diploma from a medical school, legally organized and in good standing, and submit to an examination in such branches of medicine as the Board may deem advisable. The applicant must also present evidence of having attended four courses of lectures of at least six months each, if he graduated after July 1, 1898.

Dr. William C. Riddell, Helena, is Secretary of the Board.

NEBRASKA.

A graduate of a legally chartered medical school or college in good standing with the State Board of Health, may obtain a certificate by presenting a diploma to the Board and paying the required fee. Applicants graduating after July 1, 1891, must have attended three courses of lectures of six months each in three separate years. Applicants graduating after August 1, 1898, must have attended four courses of lectures in four separate years. Diplomas from foreign colleges are not recognized unless the holders are authorized to practice in the country in which the diplomas were issued.

Dr. George H. Brash, Beatrice, is Secretary of the Board.

NEVADA.

Certificates are issued by the State Board of Medical Examiners without examination to the following persons: (a) graduates of reputable and legally chartered medical institutions of the United States, which are in good standing with the Board; (b) persons who have received licenses from the State Examining Boards of any State of the United States, "providing the holder of said State Certificates has been practicing in this State (presumably Nevada) for at least five years." The Board examines persons who have been engaged in the practice of medicine in Nevada for at least five years, and graduates of foreign medical colleges.

Dr. S. L. Lee, Carson City, is Secretary of the Board.

NEW HAMPSHIRE.

The Superintendent of Public Instruction, ex-officio, is the Regent of the State Board of Medical Examiners. He will admit to examination any candidate who pays a fee of ten dollars and submits satisfactory evidence: (1) that he is more than twenty-one years of age; (2) is of good moral character; (3) has graduated from a registered college or satisfactorily completed a first course in a registered academy or high school, or had a preliminary education considered and accepted by the Regents as fully equivalent;

(4) has studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of at least six months each, in four different calendar years, in a medical college registered as maintaining at the time a satisfactory standard (the Regent will accept as the equivalent or any part of the third and fourth requirements, evidence of five or more years' reputable practice, provided that such substitution be specified in the license); (5) or has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country. Applicants examined and licensed by other State Examining Boards, registered by the Regent as maintaining standards not lower than those provided above, and applicants who matriculate in a New Hampshire medical school before January 1, 1898, and who receive the degree of M. D. January 1, 1903, may, without further examination, on payment of five dollars to the Regent, and on submitting such evidence as may be required, receive an endorsement of their licenses or diplomas conferring all rights and privileges of the regent license issued after examination.

Hon. Channing Folsom, Concord, is Regent of the three State Boards of Examiners, representing respectively the Regular, Homeopathic and Eclectic schools.

NEW JERSEY.

Applicants for a license in this State must be graduates from an accredited literary or scientific college, or have completed satisfactorily not less than a three years' course in an accredited high school or academy, or have received a preparatory education covering the following branches, viz.: Orthography, arithmetic, English grammar and composition, geography, history of the United States, algebra and physics, or, what this Board may consider their equivalent. Each applicant must also present to the State Board of Medical Examiners evidence of having studied medicine for four years, and of having attended three courses of medical lectures in different calendar years in a legally incorporated medical college in good standing, and pass a written examination in nine subjects.

The law empowers the Board to establish reciprocal relations with other Boards having substantially the same standard of requirements.

Dr. E. L. B. Godfrey, Camden, is the Secretary of the Board.

NEW MEXICO.

A person desiring to practice in this Territory, if a graduate in medicine, must present his diploma to the Territorial Board of Health for verification, and if the diploma is found genuine and from a legally chartered medical institution in good standing the Board of Health will issue a certificate. If not the holder of such diploma, the person must present himself before the board and submit himself to such examination as may be required.

Examination will be required of all applicants to practice medicine in New Mexico who shall graduate after July 1, 1897, from any medical college which does not require of matriculants as a minimum evidence of sufficient general education a high school certificate or its equivalent and for graduation proof of four years' study of medicine and four terms of lectures occurring in four separate years.

The previous standard of three years' study and three terms of lectures in three separate years, with the preliminary requirements of matriculants of a high school certificate or its equivalent, will be maintained for all applicants who graduate between July 1, 1890, and July 1, 1897.

Dr. W. G. Hope, Albuquerque, is Secretary of the Board.

NEW YORK.

The regulation of the practice of medicine of this State is under the control of the Regents of the State University, by whom the three State Examining Boards, representing the three schools of medicine, are appointed. The examinations are conducted by a Regent's examiner and the answers are rated by the members of the Board. An applicant to practice must show evidence of a high school education or its equivalent, and of having studied medicine not less than four full years of at least nine months each, including four full satisfactory courses, and at least six months in four

different calendar years. Applicants who graduate before January 1, 1902, need not show evidence of more than three courses of lectures. Each applicant must pass an examination in the usual branches. The law contains an inoperative reciprocity clause.

James Russell Parsons, Jr., Albany, is Secretary of the Regents of the University.

NORTH CAROLINA.

The law requires an examination of all applicants by the State Board of Medical Examiners in ten different subjects. To be eligible to examination the candidate must present a diploma from a medical college in good standing, which requires of its graduates after January 1, 1900, an attendance on not less than three years, or a license or other satisfactory evidence of standing as a legal practitioner in another State.

Dr. J. Howell Way, Waynesboro, is Secretary of the Board.

NORTH DAKOTA.

An applicant for a license must present evidence of having attended three courses of lectures of at least six months each, and pass an examination before the State Board of Medical Examiners, in such branches as the Board deems advisable.

Dr. H. M. Wheeler, Grand Forks, is Secretary of the Board.

OHIO.

An applicant for examination before the Ohio State Board of Registration and Examination must present evidence of preliminary education equivalent to that covered in a four years' course in a high school, or pass an examination conducted under the direction of the Board, and present a diploma from a medical institution in the United States in good standing with the Board, or a diploma or license approved by the Board, issued in some foreign country. Each applicant will be examined in the subjects required by the Board, but an examination will not be required of any medical

student who was matriculated on January 1, 1900, in any medical college in the State of Ohio, recognized by the State Board of Medical Registration and Examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall have filed his or her diploma for registration prior to July 1, 1904. The law empowers the Board to license without examination applicants holding certificates issued by other State Boards having equal requirements.

Dr. Frank Winders, Columbus, is Secretary of the Board.

OKLAHOMA.

No person can practice medicine in this Territory unless he is a graduate of a medical college, or unless upon examination by a Board composed of the Superintendent of Public Health, and two other physicians selected by the Territorial Board of Health, he is found proficient in the practice of medicine and surgery, and found upon proof to be actually engaged in the practice of medicine for a term of not less than five years. Any person possessing the qualifications mentioned shall, upon presentation of his diploma and upon the affidavit of two reputable citizens from the county where he resides that he possesses the qualifications of a physician, to the Superintendent of Public Health, receive a license certifying him to be a practicing physician and having the qualifications for such as prescribed.

Dr. E. E. Cowdrick, Enid, is Superintendent of Public Health and President of the Board of Medical Examiners.

OREGON.

An applicant for a license must make an affidavit to the State Board of Medical Examiners setting forth the actual time spent by him in the study of medicine, and pass such examination as the Board shall deem advisable.

Dr. Byron E. Miller, Portland, is Secretary of the Board.

PENNSYLVANIA.

Applicants for the State examination must submit to the Medical Council evidence of a preliminary education equivalent to a high school course (or pass a preliminary examination) and present a diploma from a legally incorporated medical college of the United States or a diploma or license conferring the right to practice in some foreign country and pass an examination. Applicants who received their degrees in medicine since the first day of July, 1894, must have pursued the study of medicine for at least three years, including three regular courses of lectures in different years, in some legally incorporated medical college, prior to the granting of the diploma or license, and after the first day of July, 1895, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures in different years, in some legally incorporated medical college, prior to the granting of the diploma or license. Examinations are conducted by the Boards representing the Regular, Homeopathic and Eclectic schools of medicine, but application should be made to the Medical Council.* The law contains a reciprocity clause, which is practically inoperative.

Hon. James W. Latta, Harrisburg, is the Secretary of the Medical Council.

* SECRETARIES OF STATE BOARD OF MEDICAL EXAMINERS.

PHILIPPINES.

In accordance with the provisions of an Act Regulating the Practice of Medicine and Surgery in the Philippine Islands, enacted December 4, 1901, it shall be unlawful after March 1, 1902, for any person to practice medicine in any of its branches in the Philippine Islands unless he holds a certificate of registration from the Board of Medical Examiners for the Philippine Islands. Such

certificates are granted without examination to persons engaged in the practice of medicine in the Philippine Islands prior to the passage of this act who submit to the Board of Medical Examiners a diploma of Doctor of Medicine from a reputable medical school or college, to certain students in the St. Tomas University in the City of Manila, and to persons who have passed the examination before a Board of Examiners convened pursuant to special order No. 5 and Circular No. 6 of the United States Military Government of the Philippine Islands, dated respectively February 25 and April 1, 1900. Every other person desiring to begin the practice of medicine and surgery in the Philippine Islands must apply to the Board of Medical Examiners for a certificate of registration as Doctor of Medicine, and submit to an examination in the usual branches of medicine and also present a diploma of Doctor of Medicine from a medical school or college recognized as reputable by the Board of Health of the Philippine Islands.

The Board of Medical Examiners meets in the City of Manila for the purpose of examining candidates, on the second Tuesday in January, April, July and October of each year.

Applications for examination should be made to the Secretary-Treasurer of the Board of Medical Examiners of the Philippine Islands, Manila.

PUERTO RICO.

A physician desiring a license to practice his profession in Puerto Rico must present a diploma or certificate of graduation to the Secretary of the Superior Board of Health, and pass such examination as the Board may prescribe before a committee appointed by the Board.

Applicants who possess diplomas from reputable medical colleges, and who have been licensed by State Boards, may be licensed by the Superior Board of Health without examination if the Superior Board of Health so decides.

Dr. William F. Smith, San Juan, is the Secretary of the Board.

RHODE ISLAND.

The authority to practice medicine in this State is a certificate from the State Board of Health, and the Board shall, upon application, after examination, issue a certificate to any reputable physician who intends to practice medicine or surgery in this State and who shall present himself before the State Board of Health and pass in a satisfactory manner such examination as the Board may require.

Dr. Gardner T. Swarts, Providence, is Secretary of the Board.

SOUTH CAROLINA.

It is the duty of the State Board of Medical Examiners to examine all applicants for examination, who hold diplomas from any medical colleges or schools, who present certificates of good moral character, and to grant to each successful applicant a certificate entitling him to practice medicine in the State. The Board requires an examination in the following subjects: Anatomy, general and regional, physiology and histology, chemistry, toxicology, practical urinalysis, materia medica and therapeutics, surgery and surgical pathology, practice and diseases of children, obstetrics and gynecology. The medical law of the State was amended on the 15th of February, 1901, so as to exclude from the provisions of the act of 1893 all graduates holding diplomas issued by "any college of established reputation in the State of South Carolina which has a four years' course of instruction and a standard of not less than seventy-five per cent. on examination, who make satisfactory evidence of their standing to the State Board of Medical Examiners." In accordance with the opinion of the Attorney-General of the State, such graduates are not only exempt from examination, but are not required to make application for license to the Board, or pay a fee. This amendment, however, seemingly does not refer to a graduate who has taken a four years' course, but refers to and is descriptive of a college which has a four years' course of instruction. To use the words of the Attorney-General: "The limitation applies directly to the institution. When a college conforms to

these qualifications and issues a diploma to a graduate, whether he has attended three years or five or six years, the mere granting of a diploma and the evidence of his standing having been made to the State Board of Examiners, the graduate is exempt from the provisions of section 970, Vol. I of the Revised Statutes of 1893.

* * * It must be left to the college to decide whether in a given instance a young man is capable of understanding or completing a four years' course within less than four years of actual time occupied in the pursuit of study within the walls of the institution.

Dr. S. C. Baker, Sumter, is Secretary of the Board.

SOUTH DAKOTA.

Any person who is a graduate of a lawful medical college who has attended three full courses of medical lectures of six months each, no two full courses within the same year, may receive a license from the State Board of Health. The requirement of the three courses of lectures does not apply to those who graduated prior to 1893. The Board of Health is constituted a Board of Public Examiners for the purpose of examining and licensing physicians, but seemingly no provisions for examinations are made.

Dr. A. H. Rogers, Canton, is Secretary of the Board.

TENNESSEE.

The law requires an examination in seven or more branches of medicine of all applicants excepting graduates of any reputable medical college in the State of Tennessee, who shall, until June 1, 1902, be granted certificates by the State Board of Medical Examiners without an examination. Any applicant of good moral character is eligible to examination.

Dr. T. J. Happel, Trenton, is Secretary of the Board.

TEXAS.

Any person over twenty-one years of age, of good moral character, is eligible to the examination by any one of the three Boards of Medical Examiners for the State of Texas, representing the three schools of medicine. Each applicant shall be examined in the following branches: Anatomy, physiology, chemistry, materia medica, therapeutics, histology, pathology, practice of medicine, surgery, including diseases of the eye, ear, nose and throat; obstetrics, gynecology, hygiene and medical jurisprudence. Applications for license must be made to the President or Secretary of the Board before which the applicant desires to appear. The law provides for reciprocal relations with other States having equal requirements.

Dr. H. M. Smith, Austin, is Secretary of the Board of Medical Examiners for the State of Texas. Dr. N. O. Berizer, Austin, Secretary of the Board of Homeopathic Medical Examiners of the State Board of Texas, and Dr. L. S. Downs, Galveston, Secretary of the Board of Eclectic Medical Examiners for the State of Texas.

UTAH.

The State Board of Medical Examiners will issue certificates to all applicants who furnish proof of having received diplomas from medical colleges of good standing in the States where they exist, and who pass a satisfactory examination before the Board.

Dr. R. W. Fisher, Salt Lake City, is Secretary of the Board.

VERMONT.

The regulation of the practice of medicine in this State is under the control of the Board of Censors of the State medical societies. Each examining board apparently fixes its own standards. Section 4631 provides that each Board shall issue certificates without fee to physicians who present to each examining board a diploma from a medical college and who by examination satisfy the Board that they are entitled to practice. Section 4632 reads as follows: "A

person not a resident of the State who has not received a diploma from a chartered medical college shall obtain a certificate from a Board of Censors in the State before he shall be permitted to practice the medical art therein."

Dr. C. W. Strobill, Rutland, is Secretary of the Board representing the Vermont State Medical Society. E. B. Whittaker, Barre, is Secretary of the Homeopathic Board, and Dr. P. L. Templeton, Montpelier, is Secretary of the Eclectic Board.

VIRGINIA.

The State Board of Medical Examiners of this State is required to admit to examination any person who presents a diploma from some medical college chartered by the State in which the same is situated. The following resolution was adopted by the Board at its meeting held at Staunton, June 24-27, 1901: "Resolved, That the Medical Examining Board of Virginia will in the future decline to recognize the diploma of any college which does not conform to the requirements of the Association of Medical Colleges." When an applicant shall have made an examination satisfactory as to his proficiency, a certificate will be issued him. At present time the examination comprises the following subjects: Hygiene and medical jurisprudence, anatomy, physiology, chemistry, histology, pathology and bacteriology, materia medica and therapeutics, obstetrics and gynecology, practice and surgery.

"The Board shall have in their discretion, authority to accept, in lieu of examination of an applicant, a diploma or other satisfactory evidence of the graduation of the applicant in some medical college chartered by the State or Territory in which the same is situated, and a certificate from the Examining Board of any other State or Territory in which the same is situated and a certificate from the Examining Board of any other State or Territory of the United States or the District of Columbia, showing that such applicant has passed a satisfactory examination as to his proficiency and obtained a license from said Board to practice medicine and surgery in said State, Territory or district: Provided, That any person who was examined by the State Examining Board prior to

January 1, 1900, and whose fee for such examination was duly paid, but who failed to pass said examination, shall have the right and privilege of taking the examination before the State Board, notwithstanding the provisions of this act."

Dr. R. S. Martin, Stuart, is Secretary of the Board.

WASHINGTON.

An applicant for a license to practice medicine and surgery in this State must be a graduate* of some duly authorized medical college now having at least a three years' graded course. Each applicant must submit to such examination as the State Board of Medical Examiners shall deem advisable. The Board may accept licenses issued by other States.

Dr. J. P. Turney, Davenport, is the Secretary of the Board.

WEST VIRGINIA.

The following persons only are permitted to practice medicine in this State. First, those legally entitled to practice medicine in the State on the 22d of February, 1895; second, those who pass an examination before the State Board of Health and receive certificates from the Board. The examinations cover all the essential branches of the science of medicine and surgery.

Dr. A. R. Barbee, Point Pleasant, is Secretary of the Board.

WISCONSIN.

All persons commencing the practice of medicine or surgery shall apply to the State Board of Medical Examiners and submit to an examination in the various branches of medicine and surgery and present to said Board a diploma from a reputable medical college that requires at least four courses of not less than six

* An act containing this requirement passed the House of Representatives February 8, 1901, and the Senate February 14, 1901. This act was vetoed by the governor, and passed over the governor's veto by the House of Representatives on February 28, 1901, and passed over the governor's veto by the Senate February 28, 1901.

months each before graduation; no two of said courses to be taken within any one twelve months, and that shall after the year 1901 require for admission thereto an elementary education equivalent to that necessary for entry to the junior class of an accredited high school of this State, including one year's course in Latin, and for graduation from said medical college at least four courses of not less than seven months each; no two of said courses to be taken within any one twelve months: Provided, however, that any student who is now matriculated in any medical college of Wisconsin requires four courses of six months each as a prerequisite of graduation, no two courses to be taken within one twelve months, shall on presentation of his diploma from such medical college and on payment of the fees specified in this act, be admitted to practice without further examination by the State Board of Medical Examiners.

Under Chapter 306, law 1901, the Board is empowered to exempt from examination any practitioner of medicine holding a certificate from any other State Board imposing requirements equal to those established by the Board who may, on presentation of the same with a diploma, be admitted to practice in this State without an examination, at the discretion of the Board, on the payment of the fee. In construing this section of the law, the Attorney-General of the State has advised the State Board of Medical Examiners that a practitioner who holds a certificate from a State Board which now imposes requirements equal to those imposed by the statutes of Wisconsin, may be licensed without examination, even though at the time the person received a certificate, the requirements in his State were not the same as those now exacted in Wisconsin.

Dr. Filip A. Forsbeck, Milwaukee, is Secretary of the State Board of Medical Examiners.

WYOMING.

A graduate in medicine desiring to practice in this State shall be issued a certificate by the State Board of Medical Examiners, providing he presents a diploma issued by a medical college of recognized merit, said college being a member of the American

Association of Medical Colleges, the Homeopathic Institute or the National Eclectic Medical Association, or any college of similar standing in foreign countries. Persons holding diplomas, certificates or other credentials from schools or institutions of other than recognized merit, are examined by the Board in the usual branches of medicine.

Dr. C. P. Johnston, Cheyenne, is Secretary of the State Board of Medical Examiners.

ATTORNEY'S REPORT.

State Medical Board, State House, City:

Dear Sirs—Pursuant to your request we submit the following list of prosecutions under the State Medical Law:

1. State vs. William H. Hale, Terre Haute, Vigo County; tried before Harman Newberger, J. P.; defendant found guilty of practicing medicine without license and fined \$25.

2. State vs. Harry Vaughn, Vigo County; affidavit filed against defendant for practicing medicine without license; defendant left county before arrest and not since been located.

3. State vs. Henry Meisel, Vigo County; defendant indicted by grand jury; trial in Circuit Court and defendant found guilty of practicing medicine without license and, October 9, 1901, fined \$25 and costs.

4. State vs. Henry Meisel, Vigo County; indicted by grand jury November 21, 1901, for practicing medicine without license; tried March 29, 1902, and acquitted on the ground that he sold only proprietary medicines.

5. State vs. William P. Nobes, Frankfort, Clinton County; filed March term, 1902, Clinton Circuit Court, charged with practicing medicine without license based on affidavit and information; defendant pleaded guilty June term, 1902; fined \$25 and costs. Case based upon keeping massage parlors and crime committed more through advertising than actual operation.

6. State vs. C. O. Venneman, Tell City, Perry County; indictment against defendant for practicing medicine without license. Dr. Venneman procured license since indictment returned and case dismissed.

7. State vs. J. Boone Slaughter, Tell City, Perry County; indictment returned by grand jury for practicing medicine without license; case pending.

8. In Pike County there were three indictments by the grand jury in 1901, but each was quashed by the Court; other efforts have been made to secure indictments against same parties without success.

9. State vs. W. H. Remy, Decatur, Adams County; defendant indicted and arrested for practicing medicine without license—selling Vita Ore and making prescriptions; trial by jury and acquitted.

10. State vs. Methias E. Brooks, Danville, Hendricks County; indictment by grand jury for practicing medicine without license; trial in Circuit Court January 17, 1902; jury hung; April 21, 1902, plea of guilty; defendant fined \$25 and costs.

11. State vs. — — Baney, Muncie, Delaware County; grand jury indicted defendant in September, 1901, for practicing medicine without license; defendant fled from county before warrant could be served.

12. State vs. Felix Hazelwood, English, Crawford County; defendant charged with obtaining license fraudulently; case dismissed by State Board on defendant surrendering his license.

13. State vs. George O. Parks, Lawrence County; indictment for practicing medicine without license; magnetic healer; trial; defendant fined \$25 and costs; defendant appealed to the Supreme Court; appeal now pending.

14. State vs. George McD. Ober, Jefferson County; indictment for practicing medicine without license; gave bond for appearance; failure to appear for trial, bond forfeited. Warrant for arrest now in the hands of Sheriff.

15. State vs. Frank Richardson, Jefferson County; indicted for practicing medicine without license; arrested; now under bond.

16. State vs. N. J. Weeks, Randolph County; indicted for practicing medicine without license; trial by jury; jury disagreed.

17. State vs. S. T. Parsons, Marion County; defendant indicted for practicing medicine without license; trial and defendant found guilty; fined \$25 and costs.

18. State vs. Jacob Ream, Elwood; jury disagreed.

LICENSE REVOKED.

19. **State Board vs. Harry S. Kiskadden**; defendant's license revoked on ground that it was obtained by fraud; appeal by Kiskadden to Huntington Circuit Court; venue changed to Marion Superior Court; trial; judgment sustaining decision of Board.

20. **State Board vs. Willis F. Reinhart**, Marion County; Reinhart, proprietor Dr. Tomson Medical Institute, an advertising concern; license refused; defendant, in April, 1901, appealed to Circuit Court of Marion County; Reinhart, pending trial, closed institute and left State.

21. **David K. Boyer**, in re Middlebury, Elkhart County; complaint for revocation, alleging license obtained by fraud and misrepresentation; trial and evidence heard; judgment, November 5, 1901, that license be revoked.

22. **Albert E. Kirk**, in re Jasper County; complaint filed alleging obtaining license on forged certificate; cause submitted, evidence heard and license revoked November 5, 1901.

23. **F. M. Hibbard**, in re Marion, Grant County; complaint filed alleging obtaining license by fraud and misrepresentation; cause submitted; evidence heard; judgment November 5, 1901; license revoked.

24. **Edwin H. Mendenhall**, in re Abington, Wayne County; complaint filed alleging obtaining license by fraud; cause submitted; evidence heard and judgment of revocation December 10, 1901.

25. **John P. Shepherd**, Judson, Parke County; complaint filed charging commission of felony in altering and passing a forged certificate; cause submitted; evidence heard and taken under advisement.

26. **LeRoy M. Coyner**, in re Indianapolis, Marion County; complaint filed charging gross immorality and connection with Dr. Tomson Medical Institute; cause submitted; evidence heard; continued. Meanwhile Coyner left State.

27. **Curryer vs. Jacob P. Oliver**, Clay County; proceedings to revoke license on account of fraud in obtaining it; cause tried under old procedure in Clay Circuit Court, which found against the Board; upon appeal the Appellate Court reversed the case, holding that the evidence was sufficient to sustain the charge.

OSTEOPATHY.

Additional Section 4. The said Board may grant limited certificates which shall authorize the proper Clerk to issue to the holder thereof a license to practice osteopathy only. Such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction. Such license shall not authorize the holder thereof to administer or prescribe or use on one other than himself any drugs or medicines, and any such administration, prescription or use of any drug or medicine by the person holding such limited license shall be practicing medicine without a license, and such person shall be punished therefor as others are punished for practicing medicine without a license: Provided, further, That any person now holding a diploma issued from any college of osteopathy in the United States, and [who] is [now] a resident of the State of Indiana, shall be granted a certificate and license to practice osteopathy upon presenting his diploma to said Board and Clerk and paying the fee required by this act.

May 15, 1901.

Whereas, By the amendments of 1901 to the medical act, the State Board of Medical Registration and Examination may grant limited certificates which will authorize the proper Clerk to issue a license to practice osteopathy only; and,

Whereas, It is provided by the law that "such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he pre-

sents a diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in *all other branches of instruction; therefore,*

"Resolved, That all applicants for registration to practice osteopathy in the State of Indiana and the colleges from which they procured their diplomas must comply with the schedules of minimum requirements in force at the time of application, except in so far as pertains to materia medica."

Inasmuch as the law regulating the practice of medicine, surgery and obstetrics in Indiana was, in 1901, so amended as to exempt from examination applicants for registration to practice osteopathy, who were, on March 11, 1901, residents of this State and possessed of diplomas from any osteopathic college in the United States; therefore, in order to establish what constitutes such college,

Resolved, That the diplomas of such applicants must have been issued by institutions possessing equipment and a curriculum equal to that fixed by the Associated Colleges of Osteopathy, as set forth by its Constitution in 1898.
